Weather Forecast  
Thursday—Overcast with intermittent rain; southeast winds, 25 miles per hour; little change in temperature. Today's noon temperature, 50.

Still Camera Shy

Greta Garbo, whose camera-shyness makes her one of the world's least-photographed personalities, was caught by the camera in London's Trafalgar Square with an unidentified companion, but not before she used her hat to hide her face.

## Mr. King To Visit Europe Before Royal Wedding

NEW YORK (CP)—Prime Minister King of Canada may leave for Europe early in November, possibly visiting France and the Netherlands prior to attending the wedding in London Nov. 20 of Princess Elizabeth and Lieut. Philip Mountbatten, it was learned today.

It is expected Mr. King will sail from here Nov. 1 aboard the liner Queen Elizabeth, scheduled to dock at Southampton Nov. 6. He is expected to stop briefly in London, make an unofficial visit to France and then journey to the Netherlands, where he has been invited by the Netherlands government.

It is anticipated Mr. King will take with him a luxurious pink coat, part of Canada's gift to Princess Elizabeth.

### Richard, Bouchard Named Before Contracts Signed

MONTREAL (CP)—Maurice Richard and Butch Bouchard, neither of whom had signed his contract in mid-afternoon, were named today by coach Dick Irvin as starters in Thursday night's game between Canadiens and New York Rangers opening the 1947-48 National Hockey League season.

Bill Durnan will start in the nets and the punch line is scheduled to go into action as a unit, Elmer Lach at centre, veteran Toe Blake at left wing and Richard at right.

The second line will be centred by Billy Reay, with Jacques Lomas and Rip Riepelle, both up from Montreal Royals, on the wings, and the third line will have Tod Campeau, another ex-Royal, at centre, and Jimmy Peters and Murph Chamberlain on the wings.

Johnny Gaulty will be used as utility. Bobby Carse, who signed his contract today, and Floyd Curry, another ex-Royal, will not be dressed.

### Porky Andrews Expected To Sign

VANCOUVER (CP)—All that is needed is George "Porky" Andrews' signature to make him the playing coach for the Vancouver Hornets.

Pro hoop mogul Clem McDonald and his newly-appointed manager, Art Chapman, had a prolonged chat with Andrews Tuesday and it is likely Porky will be back in the post he held last year.

### Hockey Star Shabaga Reported Suspended

SASKATOON (CP)—The Saskatoon Star Phoenix said today Al Pickard, president of the Canadian Amateur Hockey Association, had informed Saskatoon Quakers of the Western Canada League their centre ice star, Mike Shabaga, had been suspended by the National Hockey League and the C.A.H.A.

No reason was given for the suspension, but Pickard said Shabaga could not play amateur hockey until the suspension was lifted.

Meanwhile, Shabaga left with the Quakers for their opening game of the season at Regina tonight. Club officials were "hopeful" the suspension would be lifted by game time.

### English Rugby

LONDON (Reuter)—Results of rugby games played today in the United Kingdom:

RUGBY UNION

Glasgow and Edinburgh 9, Australians 23.

Kent 4, Eastern Counties 19.

United Services Portsmouth 18, Royal Marines 15.

Yorkshire Cup Semifinals

Wakesfield Trinity 18, Huddersfield 15.

Leeds 19, Castleford 4.

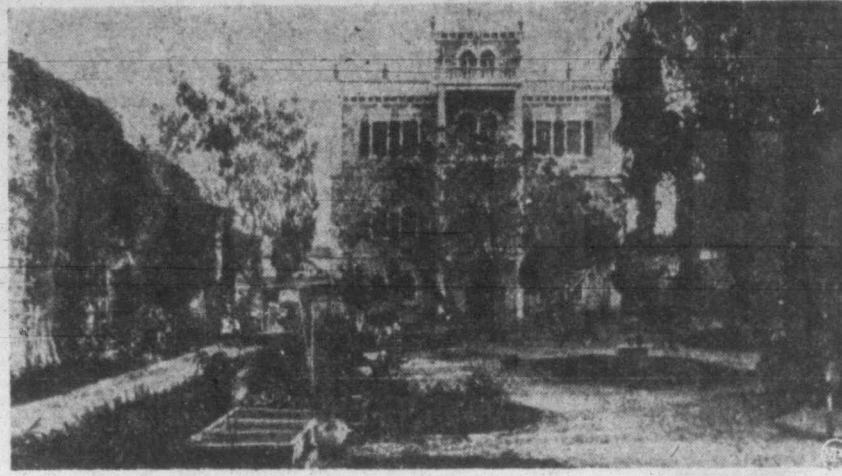

OTHER MATCH

Leigh 5, New Zealand Tourists 10.

### Kerry Drake

## U.S. Consulate Bombed In Palestine

The United States Consulate (above) in Jerusalem, in which a bomb exploded injuring two employees. Probably homemade, the bomb was too weak to do much damage, and succeeded only in breaking a few windows and slightly damaging the consul-general's dining-room. The two injured employees, both Palestine women, were cut by flying glass.

## C.C.L. Unions Demand Government Call House To Amend I.C.A. Act

A delegation of B.C. Federation of Labor (C.C.L.) leaders Friday will meet the provincial cabinet to demand that the government call a special session of the British Columbia Legislature this fall to review the Industrial Conciliation and Arbitration Act.

Harold Pritchett, secretary of the federation and district president of the International Woodworkers of America (C.I.O.), today in Vancouver said the delegation would request that charges against unionists facing prosecution for allegedly illegal strikes be dropped pending the proposed session.

"In view of the chaotic situation in labor-management relations in B.C.," said Mr. Pritchett, "the delegation will urge the government to have a fall session to consider amendments to the act making it acceptable to organized labor and workable in the interests of the general public."

Mr. Pritchett added that the delegation was "supported" by a petition signed by "thousands of trade unionists."

Sometime ago a similar request was made to the government by the same group, but Premier John Hatt announced that the I.C.A. Act, which became law last May 15, would be given a fair trial before any attempt was made to amend it.

Mr. Pritchett added that A.F.L. officials had been cordially invited to attend the meeting of the C.C.L. leaders and the cabinet.

## 'Dancing Daddy' Awaits Sentence On Bigamy Charges

LOS ANGELES (AP)—Gerald J. O'Neill, the "Dancing Daddy" who was charged with neglecting to divorce his wives, is awaiting sentence on three counts of bigamy.

The 31-year-old movie extra, who removed his toupee for his trial, was convicted on testimony of brides who said O'Neill carried on his romancing on dance-hall floors. The state alleged O'Neill was a "Dancing Daddy" to eight women in all.

Mrs. Margaret Beeler Williams, who testified she married O'Neill in Las Vegas, Nev., in 1945, said she never learned how he really spelled his name.

Mrs. Anna Gwendolyn Ashley, married to O'Neill last June, said "he swept me off my feet," but when they got to Yuma, Ariz., "he had neglected to buy a wedding ring, so we had to use a little one of mine." She obtained an annulment after one week.

Mrs. Julia Twitchell also was a Mrs. O'Neill and another, Mrs. Stella Frank, wasn't in court but her preliminary hearing testimony was read, stating they weren't divorced because "Gerry didn't have any money to pay for it."

## Edith Davis Faces Trial In Slaying Of Garage Manager

Detective Harry Mercer of the Victoria City Police today swore out a charge before Magistrate Henry C. Hall, indicting Edith Etheline Davis, 35, for the murder of William A. Davis, 55, on Oct. 9.

The warrant was issued to be served on Edith Davis who is now a patient at Royal Jubilee Hospital.

Earlier today a coroner's jury returned a verdict of murder by person or persons unknown, at an inquest in Sand's Mortuary on the death of Mr. Davis, manager of Davis Motors, whose funeral was held today.

The jury found that Mr. Davis came to his death at his 1852 Crescent Road duplex last Thursday, from the effects of throat wounds which caused death almost instantly.

Vernon Bruce and Edward B. Davis, son, told the jury of finding Mr. Davis lying on his back in the living room of the house with a severe wound in the throat, and of finding Edith Davis sitting in a chair covered with blood.

Constable William Elliott of the Victoria City Police told the coroner's jury that a blood-stained 10-inch carving knife was found on a telephone table in the

EDITH ETHELINE DAVIS ... faces murder charge.

hallway and there was blood on a chesterfield table and a pool of blood at the foot of the telephone table.

"In the kitchen there was a sharpening steel and it was also stained with blood," Constable Elliott said.

Evidence was given by relatives that the woman, now charged, had been mentally sick for some time and that she had an attitude that "people were after her."

## Island Doukhobor Leader Blamed For Various Outbreaks

SOUTH SLOCAN (CP)—Mike "The Archangel" Verigin, leader of the small band of Sons of Freedom Doukhobors at Hilliers, on Vancouver Island, today was charged with responsibility for a long list of violence in the West Kootenays during the second day of the Royal Commission hearing into the strife-ridden problems of the strange religious sect.

The charges were read into the records of the hearing by John Verigin, suave, dark-haired leader of the Universal Brotherhood of Christian Communities of Christ (orthodox) group, who occupied the witness stand for the second straight day.

The charges were contained in a letter which John Verigin said he had received in the mail. The letter dated May 23, 1947, was in the form of a statement to the police by Bill Markin of Winlaw, and bore the signatures of two members of the British Columbia provincial police and

two Doukhobor witnesses. The police officers were Detective Constable Tom Quigley and Constable Walter Martin.

In the letter, Martin said he had been the "right hand man" of Mike Verigin. Martin said the list of depredations ordered by his leader included the bombing of the tomb of Peter "the lordly" Verigin at Brilliant last spring, dynamiting of a bridge at Brilliant and the burning of a number of schools and homes.

Earlier, John Verigin, believed to be a distant relative of Mike's, had testified that orthodox Doukhobors had suffered a loss in wages and production because of terror attacks far in excess of property damage. Tuesday Judge H. J. Sullivan of New Westminster, presiding as Royal Commissioner, estimated the loss from known or suspected arson attacks in British Columbia in the past 40 years as well over \$1,000,000.

Orthodox members were forced to stay from work to guard their wives, children and property, one meeting called to map methods of combatting the menace cost \$7,000 in loss of wages to those attending. Doukhobor industries suffered heavy production losses through lack of labor with men remaining from work to guard their homes.

## Arab Countries Close Frontiers To All Jews

BEIRUT, Lebanon (AP)—Arab countries voted today to close their frontiers to Jews as a new means of tightening their boycott on Jewish goods in a fight against Zionism. Abdel Rahman Azzam Pasha, Arab League secretary-general, announced at the league council's final session here.

An attaché of the league said Egypt, Syria, Lebanon, Iraq, Trans-Jordan, Yemen and Saudi Arabia adopted a number of other resolutions "increasing economic pressure on the Jews by boycott."

## Anarchy In Shanghai

SHANGHAI (AP)—Lt. Gen. Hsuan Tieh-wu said today Shanghai was in a state of anarchy and he would invoke the death penalty against food hoarders.

## Ex-Air Minister Power Urges Expansion Of Canadian Aviation

MONTREAL (CP)—"Canadian aviation background in peace and war should amply justify faith, high hope and confidence in Canada's future air development," Hon. C. G. Power, wartime Canadian air minister, said today in an address before an air conference sponsored by Montreal Board of Trade.

"In Canada we have everything which should make for the great and magnificent future development of air commerce and industry," said Mr. Power, who is Liberal member of Parliament for Quebec South.

The speaker reviewed the history of aviation in Canada and paying tribute to the work of bush pilots, said: "There would have been no Eldorado, no Canadian U-235, if Leigh Brinnell had not flown Gilbert LaBine into Great Bear Lake."

"That northern frontier would not have been pushed back hundreds of miles towards the Arctic coast if the bush pilots of the 1920's and 1930's had not risked their bases along the northernmost transcontinental tracks waiting to fly men and machinery into the back of beyond."

Mr. Power asked that in plans for aviation development consideration be given to the war's flying men.

"Procure them positions and places of responsibility on the ground and in the air," he said. "They proved their worth in the past; they will not fail you now."

Approximately 250 delegates were present for the opening session of the conference, which will extend over three days and include discussions of topics dealing with the future of air transportation, particularly as it affects Montreal's position as a world air centre. The gathering is under the sponsorship of the

aviation section of the Montreal Board of Trade.

### VARIED SUBJECTS

Topics to be discussed cover widely varied subjects such as developments in air safety, Canada's air future, airports and air strips, customs regulations and procedures, tourism, air surveying, international aviation problems, air cargo, aviation insurance, modernization of air regulations, public relations in air transportation, short range air transportation and the economics of air transportation.

## Churchill Does Not Believe Abuse Means War With Russia

NEW YORK (AP)—Winston Churchill said Tuesday night he did not believe Russia's "unceasing stream of abuse upon the western world" is a prelude to war.

Speaking by radio from England to the Alfred E. Smith Memorial Foundation dinner here, Churchill said if the Russian leaders had their minds "set on war I cannot believe that they would not hush the easy-going democracies into a false sense of security."

As an explanation for what he called Russia's "virulent propaganda" poured out "in 26 languages," the wartime Prime Minister said he believed it is used by Russia's leaders "these 14 men in the Kremlin" for "internal purposes."

"It may well be that they think it pays them and helps them to perpetuate their rule by representing to the otherwise blindfolded masses of the brave and good-hearted Russian people that the Soviet government stands between them and a repetition of the horrors of invasion which they withstood, when it came, so manfully."

### I Killed, 5 Injured

HUNTSVILLE, Ont. (CP)—Three-year-old Lorraine Terry Stacky of Winnipeg died in an automobile-trailer crash two miles north of here today which sent five other Winnipeg persons to hospital suffering from serious head injuries.

### ANNOUNCEMENTS

**Announcing your Victoria Symphony Orchestra.** Tickets now at Spencer's Radio Department. Series of six concerts, \$13, \$10, \$8, \$5.

**A salvage collection for Fairfield, Fernwood and Mount Toller.** Phone E 3413.

**Anti-Vivisection Society says:** Diabetes: The shortage of sugar and starch during the war... has undoubtedly led to the slight reduction in deaths from diabetes.

**Alcoholics Anonymous —** The alcoholic, as distinguished from a normal drinker, is a person who drinks even when he doesn't want to and knows he shouldn't. Such compulsive drinking causes unhappiness and ruins careers. If this is your problem, then you may obtain help—freely and confidentially. Apply Victoria Chapter, Alcoholics Anonymous, P.O. Box No. 1, Victoria; P.O. Box No. 869, Duncan, B.C.

**"Alderwood," 16 Mile Post.** Malahat, announces reopening for year round service of home-cooked meals served from 12 noon until 8 p.m. daily. Special Thanksgiving dinner served Sunday and Monday, Oct. 12 and 13.

**Crayharven Inn, Parksville** (formerly Island Hall) is the ideal stopping place. Completely redecorated. Charming Old English atmosphere, excellent cuisine. Write for reservations, reduced fall rates, or phone Parksville 46.

**Claret, Deep Cove.** Drive through the lovely Saanich Peninsula. Chicken luncheon, dinner or Devonshire cream tea, Phone Sidney 82-F.

**Christmas bazaar, I.O.O.F.** Florence Nightingale, Oct. 18, K. of P. Hall, Cormorant Street, 2 p.m. Gifts for everyone. Afternoon tea.

**Dr. W. D. Higgs, Physician and Surgeon,** wishes to announce that he has resumed practice at 229 Pemberton Bldg. Phone: Office, G 3975; residence, B 2473; doctors' directory, E 1195.

**Dance in C.C.F. Hall, 857 Pandora Avenue, Saturday, Oct. 18,** at 9.30. Good swing music. All welcome.

**For interesting reading join the Marionette Library** where you will find all the new books. Mailing list on request. E 1012.

## Weather

Valid until midnight, Oct. 16—Heavy rain has fallen in the southern coastal areas during the night from an active storm which is moving into the southern interior early this morning. Port Hardy reported nearly three inches of rain in the last 24 hours. More rain and strong winds are expected tomorrow.

Vancouver and vicinity, Lower Fraser Valley—Overcast with intermittent rain this morning, becoming cloudy this afternoon. Overcast tonight and Thursday with rain beginning during the night. Winds southeast 15. Little change in temperature.

Georgia Strait—Intermittent rain this morning, becoming cloudy this afternoon. Cloudy this evening, becoming overcast during the night. Thursday, intermittent rain. Winds light to today, increasing to southeast 30 early Thursday morning. Little change in temperature.

West Coast Vancouver Island—Cloudy with showers today, becoming overcast tonight. Thursday, overcast with rain. Winds light, increasing to southeast 25 during the night. Little change in temperature.

## Further Milk Cuts Made In Britain

LONDON (Reuter)—The Food Ministry Tuesday night announced cuts in the priority milk ration for invalids and children, but left the ordinary domestic ration of two pints weekly untouched.

The invalid milk ration will be changed from 14 to 10 pints weekly from next Sunday. Children aged one to five, now getting seven pints weekly, will be cut to six.

The ministry explained the cuts were forced by the dry summer this year which adversely affected milk production.

**Home Permanents —** Lady, if it's the price you're after, ring the Speed-Way department, La France Beauty Salon, and get your hair shaped, oil-shampooed, dressed, for the price you can do it at home: Spray curl or machine, four-minute permanent, or take it home and do it yourself. Phone G 7443, 715 View Street. Guaranteed permanents.

**Membership tea, Y.M.C.A. Ladies' Auxiliary, Thursday, Oct. 16, 3 to 5 p.m. at the Y.M.C.A.**

**Massage, general, facial, scalp, Colonic irrigations.** Reducing. Electrical treatments. Diet. Registered staff. Estella M. Kelley, 612 View St., 501 Union Building, E 9121, E 0630.

**Meeting of Women's Round Table** in the Council Chamber of the City Hall, Wednesday, Oct. 15, at 8 p.m. Subject, "Your Purchase Dollar." Speakers, Mrs. A. B. Young, Mrs. R. S. Martin, Miss Yvonne Love, Miss Doris Noble. Discussion leader, Miss Olive Heritage. All women welcome.

**No shortage of meat here!** Canadian matured cheese, blue cheese, peel, raisins, rice, corn starch. Pick and Pack, 715 Pandora.

**Personalized Christmas cards,** wonderful selection at Diggon's.

**Picture Framing in Perfect taste by Diggon's.**

**Shawnigan Beach Hotel, Shawnigan Lake,** for a change from sea level. Take a few days off now. Warm and comfortable surroundings, rates, including all meals, \$34.65 single, \$59.85 double weekly. Phone Cobble Hill 48.

**The Mabel Burnett Circle sweater contest** won by L. Woods, Sidney, V.I.

**There is a Keystone for Success,** second in a series, "The Spirit of Joy"—The Joy of Working. Rev. Emma M. Smiley, first vice-president, International New Thought Alliance, tonight, 8 p.m., Victoria Truth Centre, 734 Fort.

**Women's Canadian Club, Monday, Oct. 20, lower ballroom, Crystal Garden, 2.30 p.m. Speaker: Mr. Eric W. Morse,** national secretary United Nations Association in Canada. Subject: "Can the United Nations Avert Another War." Note change of meeting place.

## Archbishop Rebukes Bishop For Views Published In Book

LONDON (CP)—The Archbishop of Canterbury, highest prelate in the Church of England, today rebuked the aged Bishop of Birmingham for views expressed in a recently-published book, "The Rise of Christianity."

"If his view were mine I should not feel that I could still hold episcopal office in the church," the Archbishop, Most Rev. Geoffrey Fisher, told the bishops and clergy assembled for the Convocation of Canterbury at Church House, Church of England headquarters.

The silver-haired Bishop of Birmingham, Rt. Rev. E. W. Barnes, rose to make a personal reply before the Convocation, but was told by the Archbishop he was out of order.

### WILL NOT RESIGN

In a subsequent statement to the upper house of Convocation, Bishop Barnes said he felt the views expressed in his book were "entirely compatible with my position as a bishop of the Church of England."

He said that during the last two centuries there had been many conflicts between religion and science and "in every case science has won the battle and Christianity has gained a purifying by defeat."

"As a church we must come to terms with science and scholarship and make perhaps dangerous advances in so coming to terms or we face disaster," he added.

Bishop Barnes later told reporters he had no intention of resigning.

### MUCH DISCARDED

Archbishop Fisher said that in dealing with the New Testament Bishop Barnes' book "attempts by critical analysis to clear away all that the author considers to be unhistorical accretions and thus to reveal what the author holds to be the nucleus of assured knowledge about the historical person of Jesus Christ."

"In the process, the bishop discards or omits to include much which holds a central place in generally accepted Christian doctrine or belief."

"In many respects the bishop's book so diminishes the content of the Christian faith as to make the residue which is left inconsistent with the scriptural doctrine and the beliefs of the church in which he holds office."

Bishop Barnes, a brilliant 73-year-old scholar, has published many papers on theological and mathematical subjects.

"The Rise of Christianity" was criticized last week-end in a letter signed by the executive of the Church Union, which said it contained "very grave divergencies from the doctrines of the universal church and in particular of the Church of England."

**REJECTS INCARNATION**  
The letter said the book denied the possibility of miracles and although the author said he personally worshipped Jesus as divine, the Catholic doctrine of incarnation was clearly rejected.

The letter also said the Virgin birth was dismissed as a "crude, semi-pagan story" and compared it to the manner of birth "among insects." The letter went on to state that the book denied "the physical resurrection of Jesus and that it made no mention of any doctrine of Atonement or of the Holy Trinity."

The book strikes "a serious blow against the claim of the Church of England to be custodian and witness to the Christian faith," the letter concluded.

## Urges Alliances

STE. ROSE, Que. (CP)—Works Minister Fournier called Tuesday night for Canadian friendship for all nations, but warned that the Dominion must make alliances "with countries possessing the same ideology as ours" to preserve world peace. Mr. Fournier spoke at the third annual banquet of the Mille Îles Nautical Club, which comprises citizens from Ste. Therese, Ste. Rose and St. Eustache.

## Australian Wool At New High Price

SYDNEY, Australia (AP)—Wool sold during September, the first month of the 1947-48 Australian auction, brought the record average price of around \$40 Australian (about \$130) a bale, or 30.5 pence Australian (41.5 cents) a pound on a greasy basis, raising hopes for a wool check surpassing last year's record.

Heavy bidding on behalf of European countries and by Britain for her textile export drive has kept prices high in the first few weeks of sales. United States buyers are expected to bid more freely as the season progresses, maintaining the wool sellers' market.

## Revision Of British Criminal Code Being Considered

LONDON (Reuter)—Revisions of Britain's criminal code to recognize "degrees of murder" is under consideration.

It may be included in the new criminal law reform bill which Home Secretary C. D. Fife is expected to put before Parliament after it reassembles Oct. 20.

Similar legislation in the United States, under which only persons convicted of first-degree murder can be sentenced to death, has been studied by legal experts.

Abolition of flogging, birching, penal servitude and solitary confinement also may be advocated. Another provision of the measure, which aims at the greatest advance for more than a century in treatment of social "misfits," may ensure that no offender under the age of 21 will be placed among hardened criminals in ordinary prisons.

Under existing law all persons except pregnant women convicted of murder must be sentenced to death although in some cases the sentence is changed to life imprisonment by the Home Secretary.

## Says King Should Not Reside In London

AUCKLAND, N.Z. (Reuter)—The King should not live in London "because of its nearness to trouble centres," Maj.-Gen. H. E. Barrowclough, former commander of the New Zealand Pacific division, declared here Tuesday. He urged the setting up of a "Secretariat" to co-ordinate foreign policy, defence and relations within the Commonwealth in a central part of the Empire, "but not in London."

## Record Tuna Price

ASTORIA, Ore. (AP)—Tuna buyers reported today the price of albacore had climbed to a record \$650 a ton as boats remained tied up while storms battered the fishing grounds. Fishermen said they expect to find tuna off Cape Blanco when the storms subside.

## 141 Face Montreal Courts On Meat Strike Charges

MONTREAL (CP)—Five local officials of the United Packinghouse Workers of America were arrested Tuesday night in their homes on contempt of court charges resulting from violation of a non-picketing injunction issued in the month-long strike of Canada Packers Ltd. and Wil-sil Ltd.

Police identified the five arrested as Charles Larose, president of Local 357; Henry Gosselin, president of Local 358; A. Bisson, secretary of Local 358; T. McEwan, director of Local 357 and Vincent Laurier, director local 358.

The union officials were later released on bail of \$25 each and ordered to appear in court today to answer the contempt of court charges.

### 136 REMANDED

This brought the number arrested in connection with the strike to 141, including several women. On Tuesday 136 picketers received remands to Oct. 22, either in recorder's court or criminal court, on charges ranging from intimidation to unlawful assembly, for their defiance of the non-picketing injunction.

In all cases the strikers, members of the U.P.W.A. (C.I.O.), were granted bail ranging from \$5 to \$25.

Jacques Casgrain, eastern Canadian director of the union, said that "a token picket would be back on the line today despite the arrests."

Meanwhile, the combined forces of the provincial and municipal police department maintained a close surveillance on the two meat-packing plants. More than 85 uniformed and plainclothes policemen were posted outside the company's gates.

### LEGISLATURE MAY MEET

TORONTO (CP)—Labor Minister Williams of Saskatchewan said today that unless strike-bound packinghouses are back in operation by the first of next week, "serious consideration will be given the calling of a special session of the (Saskatchewan) Legislature."

Such a session would be "with a view toward passing legislation to enable our government to appoint a controller for such plants as may not resume operations voluntarily," he said in a prepared statement.

## Buses To Stop By Saturday, Union Decides

Time for the strike of 2,850 bus and tram operators and other transit workers in Victoria, Vancouver and New Westminster, will be fixed either today or Thursday with the deadline not later than Saturday midnight, it was reported this afternoon in Vancouver, headquarters for the B.C. divisions of the Street Railwaymen's Union (A.F.L.).

Lloyd Easler, president of the Vancouver Local 101, said that when the strike is called, the union will use every technicality to gain its demand for a 20 cents an hour pay boost plus a 40-hour week.

Attempts would be made, he added, to keep unauthorized persons from driving employees to work in private cars and the union would consider "unfair" all who formerly traveled by street car and bus who accept rides in private cars during the strike. The only exception to "unfair" ruling would be hospital staffs.

George M. Morrison, international vice-president of the Street Railwaymen's Union (A.F.L.), said today that renewed attempts by Acting Mayor Charles Jones of Vancouver to avert the threatened tie-up of street cars and buses had been turned down due to the fact that conciliation had already cost the union \$5,000.

### VICTORIA EFFORT

Alderman Harold Diggon, chairman of the city council's transportation committee, reported this morning that he hoped to meet representatives of the B.C. Electric Railway Co. Ltd. and of the Street Railwaymen's Union (A.F.L.) later today in a last-ditch effort to stave off the strike of bus and street-car operators and other transport workers in Victoria.

Mr. Diggon said it was impossible to hold the meetings this morning, as had been planned, because certain officials were out of town. It is believed they will return to the city later today.

The move to avert the strike is the second attempted by the city at the 11th hour. Last Saturday Mayor Percy George joined with Acting Mayor Charles Jones of Vancouver in urging the union and the company to place their differences before an arbitration board.

### PROPOSAL REJECTED

This proposal was accepted by A. E. "Dal" Grauer, president of the company, but rejected by the union's advisory board which claimed negotiations would produce nothing as it had been exhausted at meetings held between the union and the company since last March 1, date at which the collective bargaining contract expired.

Tuesday afternoon, without making specific recommendations, the City Council ordered its transportation committee to attempt to bring the two parties together.

## Believe Clayton Quit Over Differences On Preferences

LONDON (Reuter) — London observers today believed the resignation of William L. Clayton, United States Under-Secretary of State for Economic Affairs, came because of a difference of opinion between him and State Secretary Marshall over British Imperial preferences.

News of his resignation was received with mixed feelings.

On the one hand he has been recognized as a conspicuously able public servant, who could often see the other country's viewpoint as well as his own country's.

On the other hand, Clayton had become peculiarly identified

## 62 Taken From Downed Plane Going To Boston

NEW YORK (CP)—The weather ship Bibb, focal point of the stormy rescue of 62 passengers and seven crew members from the downed flying boat Bermuda Sky Queen, today was ordered by the United States Coast Guard to proceed to Boston with the men, women and children it saved from death in the mid-Atlantic.

The Bibb is expected to arrive in Boston at 10.35 a.m. E.S.T. Sunday. Earlier, it was understood the ship would set a course for Argentina, Nfld., 820 miles west of the scene where the big flying boat made a forced landing in mountainous seas early Tuesday.

The last of the 69 persons aboard the airliner were taken aboard the Bibb shortly after daybreak today. Eighteen passengers, including one woman, had spent a terror-filled night aboard the leaking, helpless flying boat while huge waves pounded at the fragile hull.

The other passengers and crew members had been taken off Tuesday. No one was severely injured, although many of the passengers suffered shock. Two babies and 11 children came through without difficulty.

Six Canadians were among the passengers.

When the rescue was completed, Coast Guard authorities flashed the Bibb and its crew a hearty "Well done."

The stricken craft, the huge Bermuda Sky Queen operated by American International Airways, was forced down approximately 820 miles from the Newfoundland coast Tuesday when it ran short of fuel while bucking heavy headwinds on a flight

from Ireland to Gander, Nfld. Rescue operations, so perilous that at one time a raft carrying 15 persons overturned, were suspended Tuesday night and resumed at dawn today.

### AIRED BY T.C.A.

The flying boat was shepherded to safety Tuesday by a Trans-Canada Air Lines trans-Atlantic plane piloted by Capt. Steve Al-bulet, formerly of Regina. The T.C.A. plane intercepted the Sky Queen's SOS and guided it to the weather ship where the flying boat's pilot, Capt. Charles Martin, former United States navy flier, made a successful landing on the rough sea.

The Canadians on board were listed as Albert E. Ritchie, 30, of Andover, N.B., a United Nations official, his wife and three-year-old son, Gordon; Herbert Bate-man-Cooke, 35, Montreal engineer; Kathleen Hayes, 32, Belmont N.S., nursing sister; and Mrs. Florence Rothery, 41, for whom no address was given.

## All Australia Listens In As Chifley Introduces Bank Bill

### Immigrants From U.K. Man British Vessel Ss. Levuka

The Ss. Levuka, a British ship, which arrived in Victoria yesterday, was manned by a crew of immigrants who plan to make their homes in Canada.

Immigration officials said the crew numbered 55, including some Canadians and represented the largest immigrant group to arrive on the west coast since the end of the war. None of the immigrants, mostly Scotsmen, had been refused admission into Canada so far, they said.

William Bond, a 24-year-old Glasgow seaman, smiled happily today when he was informed that he had passed immigration requirements to enter the country.

"I always wanted to come to Canada," he said. "I left my wife in Scotland but I hope to get her over here in 12 months' time."

Bond said none of the crew had very much money, but all expected to find work and to settle in British Columbia.

An immigrant crew was signed on the Levuka to sail the vessel to Canada. The ship was recently bought by the W. R. Carpenter (Can.) Ltd. of Vancouver, and left Glasgow early in September.

According to members of the crew thousands of persons applied to sail the vessel to Victoria with the idea of immigrating to Canada. Some of the members taken on had no previous experience at sea. Preference was first given to Canadians who wanted to return home.

with Washington's preaching of theoretical multilateralism.

It was felt here that it was Clayton, if anybody, who took the view that the United States ought to insist on disrupting the system of British imperial preferences, merely as a condition of Britain not being left out of aid under the Marshall plan.

CANBERRA (CP)—The greatest Australian radio audience since the declaration of war listened in tonight as Prime Minister Chifley introduced his bank nationalization bill to the packed House of Representatives.

The Prime Minister assured the country that all interests of shareholders and depositors of private banks would be safeguarded and that compensation would be paid in cash or government bonds as desired.

In acquiring the business of private banks, whether by acquisition of shares or of assets, the Commonwealth Bank will also assume the liability of these institutions.

"The Labor Party has maintained for many years that since the influence of money is so great, the entire monetary and banking system should be controlled by public authorities responsible through the government and parliament to the nation," Chifley said.

Chiefly said banks as a whole had restricted new lending and had called in advances during the early 30's and contended the effect of this had been to accentuate the contraction of business and unemployment in those years.

He forecast that better facilities would be available to the public under the new system and he reassured bank customers that they would not notice any difference in general banking after the control of the bank with which they were dealing passed to the control of the Commonwealth Bank.

### Plan To Cut Talk In Ottawa Commons

QUEBEC (CP) — Plans for "streamlining" Canada's government by expediting the business and shortening the sessions of the House of Commons will be submitted to Parliament at its next session by Hon. Gaspard Fauteux, Speaker, and Dr. Arthur Beauchene, Clerk of the House, passengers aboard the Canadian Pacific liner Empress of Canada, due in Montreal today. They disclosed the plan here.

## No Negotiations Till Men Return To Jobs

PARIS (CP) — The French government averted a country-wide railroad strike today and decided to stand firm in refusal to negotiate with striking subway and bus workers until they returned to their jobs.

Railroad union leaders and the Ministry of Transport agreed on negotiations for pay raises and other demands directly with the nationalized railroad system.

Pierre Bourdon, Minister of Arts and Letters, said a full cabinet meeting during the morning had ignored the Paris subway and bus strike because the government adhered to its posi-

tion of "no negotiations under a strike threat."

Socialist Premier Paul Ramadier left the cabinet meeting for talks with union leaders of the French gas and electricity industries, who have threatened to strike for higher pay.

## Crown Jewels Back

LONDON (AP) — Britain's Crown jewels were back in the Tower of London today after being kept in hiding since the early years of the war.

Under heavy guard, they were moved in a van Tuesday from Garrard's, tow-century-old Crown jewelers and goldsmiths, where they had been since being returned from their wartime hiding spot at Windsor Castle in 1945.

## Yugoslavs Attack Marshall Program

LAKE SUCCESS (CP)—Yugoslavia today attacked the program of State Secretary Marshall of the United States to overhaul United Nations peace-keeping machinery as a move designed to destroy co-operation between Russia and the western powers.

Dr. Vladimir Popovic, Yugoslav ambassador to Moscow, said to John Foster Dulles, U.S. delegate, "You are attempting to impel us, the small countries, to accept a program which would constitute a complete waiver on the principles of San Francisco." This was a reference to the U.N. Charter meeting there in 1945.

## 1 Body Found, 3 Other Men Believed Drowned In Ucluelet Bay Boat Tragedy

UCLUELET, B.C. (CP)—Four men are feared drowned while returning to the head of Ucluelet Bay in a small boat, after leaving a dance here early Sunday morning, B.C. Police said today. One body has been recovered.

First indication of the tragedy was discovery of their boat, floating empty in Ucluelet Bay. The party left at 2 a.m. Sunday, with Kennedy Lake Logging Co. as their destination.

The body of Michael Halliday, 26, was found this morning washed up on the beach at

Kvarno Island. Halliday's next of kin, Robert Williams, 22, relative, Violet Russell, Hazelton.

Joseph Paul Emile, of Douquette, Que.

Police are trying to locate Emile's friend Alex Defrane, of Port Alberni, who may be able to supply further information about Emile.

Police believe H. Halliday, of 3679 45th Avenue, Vancouver, may be a relative of Michael Halliday.

of kin is Edward Halliday, 595 Matheson Avenue, Winnipeg. Missing are: Walter Kenneth Anderson, 26;

next of kin, S. E. Anderson, 2412 east-23rd Avenue, Vancouver.

## C.P.R. Claims 134% Cost Increase To Run Coast Ships

In explaining the need for a 30 per cent increase in coast steamship freight rates, the Canadian Pacific Railway Company today informed the City Council that the average all-over operating expenses had increased 95 per cent in 1946 over the 1938 figure, and the estimated increase for 1947 is 134 per cent.

O. J. Williams, manager, in his letter also stressed that even with the 30 per cent increase, today's rate between Vancouver and Victoria on general merchandise, groceries and hardware is 26 cents per 100 pounds, while in 1920 it was 31 cents on general merchandise and 28½ cents on groceries and hardware.

He detailed how various costs have risen since 1938, with fuel oil up 10 per cent in 1946, and up 101 per cent in 1947; wages up 101 per cent in 1946, and 126 per cent for 1947. Capt. Williams emphasized that the company had two more ships operating in 1938, and also that the increase to the engineers which will undoubtedly have repercussions in other departments will probably raise the 1947 figure above the estimated 126 per cent.

Cost of repairing and maintaining vessels has gone up 194 per cent he said; and catering supplies up 76 per cent. For the current year he estimated the latter would be up 102 per cent.

In 1946 taxes were up 125 per cent he said, and for 1947 they will be 210 per cent higher.

Another item is overtime payments to the U.S. customs and immigration services, which were 160 per cent higher in 1946 and will be 222 per cent higher in 1947. These payments alone this year will cost \$83,500, he said.

This letter is in answer to a query sent by the City Council after Ald. Edward Williams submitted a resolution protesting the increased freight rates. The resolution was tabled pending receipt of the information.

## U.N. Group Meetings Thursday, Saturday

Population pressures will form the basis of a talk by H. G. Wyatt, before the first of a series of membership meetings, to be held by the United Nations Association in Canada, Victoria branch, Thursday night at 7.45 in Memorial Hall, Vancouver Street.

Mr. Wyatt's address is titled: "Population Pressures in Relation to United Nations and Its Bearing on Canada."

Eric Morse, national secretary, will address a public meeting under the auspices of the U.N. Association, Saturday night in the Assembly Hall of the Central Junior High School on the subject of "Canada's Role in the United Nations."

Some changes in the plans of the Victoria branch were decided upon by the executive recently, as they felt their aim should be to increase both individual and corporate memberships and to broaden their program as well.

"The fact that Canada has been given a seat on the Security Council, and will therefore be faced with increasing responsibilities, make it all the more important that we, as members of the United Nations Association, should do our best to develop among our fellow citizens a clearer and broader understanding of the international situation generally," said J. W. Gibson, president, in announcing the new series of membership meetings.

The membership meetings will be held in addition to the regular executive committee meetings, which will in the future be held on the afternoon of the first Thursday of the month.

## Ledoux Will Take Harvard Course

Sub-Inspector C. Ledoux of the Victoria criminal investigations branch of the B.C. Police, will leave Wednesday for Harvard University to take a course in legal medicine, the week-long seminar in homicide investigation at the Harvard medical school.

Mr. Ledoux, a former detective-sergeant, along with four others has just been appointed sub-inspector. The promotions followed examinations conducted here recently.

Others being promoted are: S. Sgt. A. Macdonald, Burnaby; Sgt. P. V. Woods-Johnson, New Westminster; Sgt. George Clark, Prince Rupert, and Sgt. R. S. Nelson, Vernon.

## They'll Do It Every Time

## Scout Movement On Increase Here, Says Commissioner

The boy scout movement is expanding in Canada and is showing a marked increase in membership in the rest of the world today, according to Jackson Dodds, C.B.E., Montreal, Dominion Scout Commissioner, who arrived in Victoria yesterday to confer with scout leaders.

This year marks the 40th anniversary of the founding of the scout movement and Canadian scouts are determined to make the year an outstanding one, Commissioner Dodds said. Canada now has about 100,000 scouts, while the world membership is 4,409,774 in 42 national associations.

Commissioner Dodds, who is making a tour of western Canada scouting centres, recently returned from France where he attended the sixth World Boy Scout Jamboree and represented Can-

ada at the International Scout Conference.

"The jamboree, with more than 30,000 scouts present from 70 countries, all camping together as brothers, convinced me of the value of such international youth gatherings from the view point of promoting world peace."

## WORLD BROTHERHOOD

"I think we should do all we can to encourage the participation of Canadian youth in such meetings. I know that the Canadian scouts who attended that jamboree have a greater understanding now of the term World Brotherhood of Scouts," the commissioner said.

Commenting on the recent announcement that the rover scouts, the older members of the scout movement from 17 and a half years upwards, will hold a world rover moot in Norway in 1949, Mr. Dodds stated that rover scouting is making real strides in Canada now.

"We are determined to send a representative Canadian Rover Scout crew to the Norway moot," the commissioner announced. "Canadian rover scouts are planning moots of their own in 1948, including one definitely arranged for the maritimes and another for Ontario. We are striving to have every province hold a provincial rover moot in 1948."

In an effort to give increasingly efficient leadership to the field, Dominion Scout headquarters has arranged that in 1948, for the first time, executive scout commissioners from across Canada will be brought together for special training under the direction of the Dominion Commissioner for Training, E. F. Mills, Ottawa. Mr. Mills has just returned from a series of training courses at the international scout training centre at Gilwell Park, England. The central training camp for scout executives will probably be held near Ottawa, Mr. Dodds concluded.

## Church Appeals For Food For Britain

Following the lead given by Mayor George, Dr. Hugh A. McLeod announced at both services in First United Church Sunday, that the week of Oct. 13 to 19 would be set aside by the congregation as a "Food for Britain" week. Suitable canned goods, parcels, etc., may be left at the church between the hours of 10 and 4 on any of the days mentioned. Those who may find it more convenient to give money may do so merely by placing same on the collection plates in an envelope marked "Food for Britain."

Arrangements will be made for the delivery of such gifts with the mayor's committee.

## B.C. Asked To Enforce Law In Meat Strike

The Mining Association of British Columbia has called on the provincial government to enforce the law and prevent unlawful pressure being brought upon the farmers, butchers and independent meat suppliers from carrying on their lawful business of supplying meat to the public.

In a resolution passed last Friday, the association expressed fear that spread of the meat strike to independent packing houses and the intention of the striking United Packinghouse

Workers of America (C.I.O.) to picket roads to halt movement of meat, represented a serious threat to the mining industry by depriving miners of meat supplies.

Copies of the resolution are being forwarded to the provincial government and the city council of Vancouver.

## \$2,933 Damages Allowed

OTTAWA (CP)—The Supreme Court of Canada has reversed a decision of the British Colum-

bia Appeal Court in the case of six-year-old Stuart Boyd, who was injured in an automobile accident at Nanos Bay, B.C., May 11, 1946. The court Tuesday re-

stored the judgment of the original court, which awarded the lad's mother, Mrs. Josephine Boyd, \$2,500 special damages and \$433 other damages, plus costs.

## Saanich Council To Press For Building Of High-Speed Highway

"We should lend weight to any move that will expedite the building of the proposed super-speed highway to Patricia Bay," Reeve E. C. Warren told Saanich Council last night at its meeting.

Mr. Warren pointed to press dispatches quoting R. W. Mayhew, M.P., for Victoria, saying that the federal government is ready to go into this matter as soon as the provincial government is heard from. Mr. Mayhew, he said, also went to Vancouver recently to take the matter up with Hon. C. D. Howe, minister of reconstruction.

The council indicated it fully endorses any move to have the highway construction proceeded with and decided to send a motion to the provincial government urging immediate action on the plan. Councillor Len Hobbs' rider that the B.C. government be asked to share in cost of the highway, was unanimously endorsed.

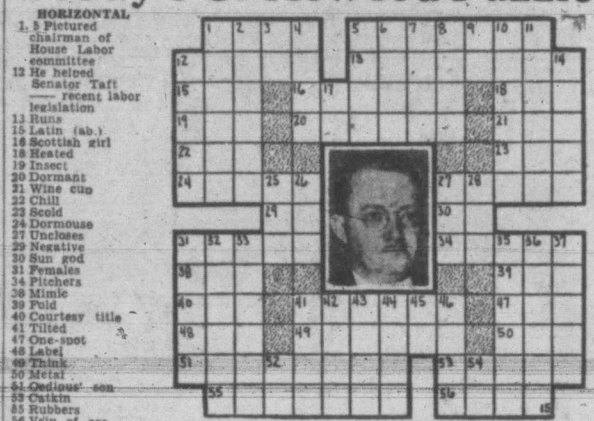

The reeve noted that a brief is now being prepared by the Brentwood Board of Trade urging prompt provincial action and that this would go to the island associated boards of trade meeting in Nanaimo on Oct. 29 asking for the full weight of island businessmen in the move.

## Priest Expelled

TRIESTE (AP) — Reports received Tuesday said Msgr. Francesco Mocnik, apostolic administrator for Gorizia province areas, now part of Yugoslavia, had been expelled from Yugoslavia for the second time in a month. Parts of Gorizia province passed from Italy to Yugoslavia under the Italian peace treaty.

(Answer to previous puzzle)

## D.V.A. Turns Down Saanich Aid Plan For New Firehall

Saanich Council's application regarding financial aid from the Department of Veterans' Affairs to establish its third municipal fire hall—this at Shelbourne Street and Cedar Hill Crossroad—to afford better fire protection to the \$1,000,000 Victoria Veterans' Hospital in Saanich territory on Richmond Avenue has been turned down.

A message to this effect was read at Tuesday night's meeting of the Saanich Council. "The matter was gone into thoroughly by this department at Ottawa, and we regret to report your request has not been approved."

This came as a keen disappointment to the council members—as it is one of their post-war ambitions to have another fire hall constructed in the Cedar Hill area.

Reeve E. C. Warren pointed out the council would have to give the matter of hospital fire protection further serious consideration. At the last meeting of the council a city offer to provide fire protection to the D.V.A. institution at a cost to Saanich was read. No action was taken until D.V.A. was heard from. The council will now have to decide whether it will accept the city offer or put some other plan into operation.

## Victoria Chinese Honored By France

Flying Officer Douglas K. L. Sam, 2517 Blanshard Street, has been awarded the Croix de Guerre with Silver Star by the French government—an honor said to be the first bestowed upon a Canadian-born Chinese by a foreign country.

Eldred son of the late Sam Wing Wo and Mrs. Sam, at the Blanshard Street address, Flying Officer Sam was the first Chinese to join the R.C.A.F. He will be presented with the award at a special investiture at the French Embassy in Ottawa shortly.

Sam was educated at North Ward and Victoria High Schools. He worked with his father at the Roche Harbor whaling station before the start of the war.

He was shot down by two Junkers 88's during one of his bombing missions to the continent while flying over occupied France, lived with French underground forces for two months and then found his way back to England.

The Victoria Chinese airman, who joined the air force in 1942, is now a member of the permanent force. Latterly he has been stationed in Ottawa.

If it's Value you want  
it's Plymouth you want

**VALUE IN CONVENIENCE**

Plymouth's rotary luggage compartment gives you value in convenience. The lid swings up easily because the weight is counterbalanced. The lid won't come down until you want it down. The spare tire is conveniently located.

**VALUE IN SAFETY**

Plymouth gives you value in safety with Equal Pressure Hydraulic Brakes. Stopping power is increased over that with 25 to 30% less pedal pressure. Plymouth Safety-Rim Wheels reduce the hazards of sudden tire failure.

**PLYMOUTH gives you VALUE you can see and measure.** Your Chrysler-Plymouth-Fargo dealer has a new Quality Chart which shows that Plymouth is most like the high-priced cars in quality features. Of 21 important features found in high-priced cars, Plymouth has 20, car "b" has 9 and car "c" has 8. More quality features mean greater VALUE.

Plymouth gives you VALUE in Safety. Safety-Rim Wheels for protection in the event of sudden tire failure. Equal Pressure Hydraulic Brakes for more stopping power with less pedal pressure.

Plymouth gives you VALUE in Economy. Although Plymouth is a big, comfortable car and gives you more quality features, it is nevertheless priced right down with the lowest. Plymouth's thorough engineering makes it a long-lasting, economical car to own and operate.

Plymouth gives you VALUE in Performance and Style. A powerful 95 horsepower engine gives you smooth performance at all speeds. Plymouth's smart styling and flowing lines give it that "big-car" appearance. No other car gives you all of these features at Plymouth's low price—so, if it's VALUE you want, it's Plymouth you want.

New Safety Hydraulic Brakes • Patented Floating-Power Engine Mountings to smother vibration • New Shorter with button on dash • Safety-Rim Wheels for blowout protection • New front-end Sway Eliminator • All-steel Safety Body • New Body Guard Bumper • Hitchless Drive to cushion starting and stopping • Lightweight Aluminum Pistons • Water-repelling Superfinished Parts • New Gasoline Filter.

Look at these Features of the new Plymouth

Sir Matthew Baillie Begbie Chapter, I.O.D.E., Friday at 2.30 at headquarters.

### Christening In Chapel, H.M.C.S. Naden

Rev. F. M. Godfrey, R.C.N., officiated at the christening ceremony held Thanksgiving Sunday in the chapel at H.M.C.S. Naden, when the second daughter of Lieut. and Mrs. J. A. Coates received the names, Sandra Joy. The ceremony was followed by an informal reception in Naden wardroom at which many friends and relatives were present. The baby wore for the occasion her father's christening robe. Godparents were C. R. Porter, Duncan, V.I., Mrs. G. W. Holme, Vancouver and Mrs. S. Jensen.

### Personal Notes

Mrs. Catherine Ash has arrived from Ottawa to spend the winter months with her son and daughter-in-law, Mr. and Mrs. Arthur J. R. Ash, 3789 Quadra Street.

Miss E. Lettice and Miss A. Campbell have returned to the city after spending Thanksgiving weekend as guests at the Mayflower Hotel, Seattle.

Mr. Mervyn Brown, who visited his parents, Mr. and Mrs. A. Norman Brown, "Winona Lodge," Langford, last week-end, has returned to Vancouver where he is attending the University of British Columbia.

Out-of-town guests at the Hallam-Mermod wedding in St. John's Church last Saturday night included Mr. and Mrs. W. Balshaw, Mr. A. Oswald, Mr. and Mrs. R. Holden, Mr. and Mrs. A. Jones, Mr. and Mrs. A. E. Condon, all of Vancouver, and Miss V. Cummins, Parksville, V.I.

Capt. (E) A. C. M. Davy, O.B.E., R.C.N., and Mrs. Davy entertained at luncheon Tuesday at their home at H.M.C. Dockyard, in honor of Vice-Admiral (E) D. C. Ford, C.B., C.B.E., R.N., engineer-in-chief of the British navy. Vice-Admiral Ford, who has spent the past few days in Victoria, left today for Vancouver, en route to eastern Canada.

Recent guests at Qualicum Beach Hotel included the following from Victoria: Dr. and Mrs. Fred H. Bonnell, Mr. and Mrs. R. A. Davis, Mr. and Mrs. R. V. Hocking, Mr. and Mrs. E. W. Izard, Miss Margaret Izard, Mr. and Mrs. J. G. Rutland, Mrs. D. Wrotonowski, Miss Helen Baird, Messrs. N. A. Yarrow, Bill Ostler, R. Edgell, C. C. Simpson.

Guests of Mrs. S. M. Ralston, 1256 Acton Street, during the weekend were her brother-in-law and sister, Mr. and Mrs. C. L. Sheppard, who were married in Banff last Saturday and will make their home in Turner Valley after continuing their honeymoon motoring in the United States. Mrs. Sheppard is the former Miss Ora M. Walker, at one time a resident of this city.

Miss Edith Barlow left Victoria by plane this morning for Trinidad, from where she will sail for Durban, South Africa, to visit former Victorian, Lt.-Col. J. H. McIntosh and Mrs. McIntosh, who are now living there. Miss Barlow, who has been much feted by friends prior to her departure, expects to be away a year. She is the daughter of Mr. and Mrs. R. Barlow, Bamber-ton, V.I.

A linen shower in honor of Miss Mona M. Bolton, R.N., a bride-elect of this month, was held by Mrs. H. A. Bruce, Danes Court. A corsage bouquet of pink carnations and violets was presented to the honor guest on arrival and a chrysanthemum corsage bouquet to her mother, Mrs. W. M. Bolton. Gifts were concealed in a wishing well. Games were played during the evening, winners being Miss Maxine Bolton, R.N., Miss Bernice Hill and Mrs. C. Smith. Miss Hill also assisted in serving refreshments. Others present were Mesdames H. S. Bruce, W. E. Copp, D. Ewing, C. Haley, C. Jones, R. Patrick, Misses Phyllis Fox, R.N., and Edith Newcombe, R.N.

Miss Edith Newcombe, assisted by her mother, Mrs. W. Newcombe, entertained at a kitchen shower Monday evening in honor of Miss Mona Bolton, whose marriage to Mr. Alexander Steele will take place Saturday. A corsage bouquet of yellow carnations was presented to the guest of honor, and Mrs. W. Bolton, mother of the bride-elect, and Mrs. A. M. Steele, mother of the groom, also received corsages. Shower gifts were displayed under a decorated umbrella, and guests were Mrs. H. Bruce, Mrs. D. Ewing and the Misses Maxine Bolton, sister of the bride-elect, Marguerite Steele, sister of the groom, Eleanor Niven, Pat McClymont, Verna Blackwell and Vivienne Fox.

### Autumn Flowers The Setting For Hallam-Mermod Nuptials

Tall standard baskets of chrysanthemums and other colorful autumn flowers massed at the chancel rail in St. John's Church, with tiny Victorian posies of Michaelmas daisies marking guest pews, formed the setting Saturday evening for the wedding of Lilian Edith, daughter of Mr. and Mrs. James Mermod, 3340 Oak Street, and Gordon Hallam, son of Major and Mrs. Maurice Hallam, 607 Esquimalt Road.

Rev. George Biddle read the marriage service and church organist, Frederick Chubb, played traditional wedding music.

Given in marriage by her father, the bride wore a gown of shimmering slipper satin, fashioned with bertha collar and yoke of sheer net, lily point sleeves and gathered skirt sweeping into a train. Her veil of illusion net cascaded from a coronet of stephanotis. A bouquet of pale pink roses, gardenias and stephanotis completed her ensemble.

Attending the bride as maid of honor was her sister, Miss Evelyn Mermod, R.N., wearing sea green taffeta. Another sister, Miss Marion Mermod, and Miss Joan Hallam, a sister of the groom, were bridesmaids, in identical gowns of mauve and taffeta.

The trio of attendants wore flower bandeaux in their hair and carried round bouquets of chrysanthemums in bright autumn tones.

Kenneth Tyrrell stood with the groom as best man and ushering guests were Donald Ritson and Craig Hall.

At Seamen's Institute, where the reception was held, Mrs. Mermod and Mrs. Hallam stood with the bride party beneath a floral arch centred with a wedding bell to receive guests. A three-tier wedding cake, surrounded with pink tulle, was centred on a lace-covered table, flanked with tall pink candles in crystal holders. A toast to the bride was proposed by her uncle, Sydney Western.

For a honeymoon in Vancouver and Seattle, the bride wore a suit of cocoa-brown doeskin, brown and white accessories and a corsage bouquet of pink rose buds.

Mr. and Mrs. Hallam will make their home in Victoria.

### Shimmering Satin In Bridal Gown

A floor-length gown of white slipper satin was chosen by Edna Harriet, daughter of Mr. and Mrs. William Fugh, 2060 Finerty Road, for her marriage to Nicholas David Youritchuk, son of the late Mr. and Mrs. T. D. Youritchuk of St. Catherine's, Ont. The wedding ceremony took place at Oaklands Gospel Hall, Saturday evening. Mr. H. L. Hopkins officiated.

The bride gown was fashioned with a full skirt, featuring a panel of frilled net from waist to hemline. A coronet of seed pearls held the embroidered veil of finger-tip length and the shower bouquet was of red roses, gardenias and swainsons. A cameo pendant, gift of the groom, completed the ensemble.

As maid of honor, Miss Lilian Price wore a gown of blue taffeta featuring full skirt and low square neckline, and carried an arm bouquet of yellow carnations and African daisies. Miss Joyce Hobbs, cousin of the bride, was bridesmaid in blue taffeta fashioned identically with that of the maid of honor.

Tiny Pauline Carter, cousin of the bride, was a dainty flower girl in white taffeta, and carried a colonial bouquet.

The three attendants wore coronets of taffeta to match their dresses.

During the service, for which the church was decorated with contrasting shades of autumn flowers, Miss Isabel Chisholm presided at the organ, and while the couple were signing the register, Miss Dorothy Jealous sang "Because."

The groom had James Hendry as best man, and ushers were Duncan McKerracher and George McCoy.

Grandmother of the bride, Mrs. E. W. Carter, and Mrs. Pugh received the guests at a reception held at Cherry Bank Hotel. A toast to the bride was proposed by D. McKerracher Sr.

For a honeymoon trip motoring through Washington, the bride chose an American Beauty woolen dress, with blue gabardine topcoat, black accessories and gardenia en corsage.

Mr. and Mrs. Youritchuk will reside in Victoria.

**Bazaar Plans**—Daughters of St. George, No. 83, made plans at a recent meeting for a bazaar to be held in Boilermakers Hall, 902 Government Street on Nov. 27. President Rose Williams presided at the meeting and as convener of the bazaar reported that members would bring groceries to the next meeting for bingo.

**Life Membership**—Mrs. R. B. Elliott, 1056 Foul Bay Road, was presented with a life membership pin and certificate at the last meeting of Rockland Park W.C.T.U., held at the home of Mrs. E. Holgate. Mrs. N. Phillips was named president for the coming year and a new member was installed and received her White Ribbon pin. Next meeting will be held on Nov. 3.

**Membership Initiation**—The regular meeting of the Jill Tar Club was held in the Y.W.C.A., when all members were formally initiated and membership pins presented by Dr. Olga Jardine, president of the Y.W.C.A. board. Dr. Jardine later gave a talk on activities of the Y.W.C.A. in various parts of the world. Games followed and refreshments were served.

## Baked Corn, Beef Make Tempting Casserole

Baked corn and dried beef together in mushroom sauce.

Casserole recipes provide bountiful food with a minimum of kitchen fuss. And the food is served in the same dish it is cooked in.

**Baked Corn and Dried Beef**-Three ounces dried beef, 1 teaspoon butter, 3 tablespoons butter, 3 tablespoons flour, 1/4 teaspoon pepper, 1 can condensed mushroom soup (10 1/2 ounces), 2 tablespoons chopped green pepper, 4 cups cooked or canned corn, 2 ounces grated cheese, 6 green pepper slices.

Cut dried beef into small pieces; brown in one teaspoon

melted butter. Melt 3 tablespoons butter in saucepan. Blend in flour, pepper, mushroom soup and chopped green pepper. Mix in dried beef.

• Drain corn and arrange in a well-greased heat-resistant glass square cake dish. Pour dried beef sauce over top. Sprinkle with grated cheese. Garnish top with green pepper slices. Bake in moderate oven (350 degrees F.) for 30 minutes.

**Casserole of Beef with Rice**-One tablespoon shortening or fat, 1 medium-size onion, chopped, 1 pound raw beef, chopped, 1 teaspoon salt, 1/4 teaspoon pepper,

1 can condensed tomato soup, 3 cups cooked rice, butter.

Melt the fat in a pan and cook the onions until soft but not brown. Then add the beef and cook until all the red color has disappeared. Sprinkle the salt and pepper over the meat and add the tomato soup.

Put a layer of cooked rice, about 1 cup, in a greased baking dish. Then put a layer of meat mixture over the rice and continue alternate layers of rice and meat, with rice for the top layer.

Dot with butter and bake in a covered casserole in a moderate oven (350 degrees F.) for about 40 to 50 minutes.

## Last Treat Of The Garden

The garden seems to be overflowing with good things and the days are busy making the best use of vegetables before the frost nips them.

There are so many excellent recipes for green tomato pickles, ripe cucumber, relishes and pepper jellies that it is well to store away as many jars as possible for winter use.

The home economists of the Consumer Section, Dominion Department of Agriculture, say that in the rush to fill the cellar shelves, many treats are missed which could be enjoyed today. They suggest using green tomatoes, ripe cucumbers, corn and green peppers in casserole dishes.

**CUCUMBER AND PEPPER CASSEROLE**

Five cups diced ripe cucumber

(3 large-8"); 1 green pepper; 1 sweet red pepper; 2 tablespoons chopped onion; 2 cups bread crumbs; 1 teaspoon salt; pepper; 1 tablespoon butter.

Peel, remove seeds and cut cucumber into dice-chop peppers and onion. Arrange cucumber, peppers and onions in layers, sprinkle each layer with bread crumbs, salt and pepper. Top with crumbs, dot with butter and bake 45 minutes at 350 degrees F. Six servings.

## CREOLE CORN

Three cups corn but from 6 medium cobs; 1-3 cup chopped onion; 3/4 cup chopped green peppers; 6 medium tomatoes; salt and pepper to taste.

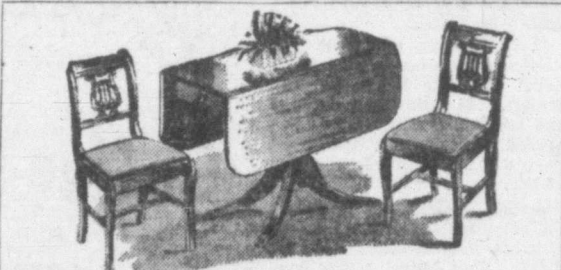

Cook corn, onion, green peppers and tomatoes in a covered saucepan for 20 minutes. Season with salt and pepper. Six servings.

## TOMATO CHEESE SCALLOP

Six medium green tomatoes; 4 large onions sliced; 2 cups bread crumbs; 2 teaspoons sugar; 2 teaspoons salt; pepper; 1/4 cup grated cheese.

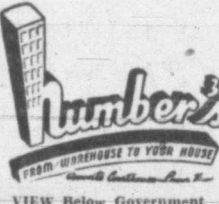

Wash and slice tomatoes. Peel and slice onion. Arrange tomatoes, onions and bread crumbs in layers. Sprinkle each layer with sugar, salt and pepper. Spread grated cheese over top. Bake 30 minutes at 375 degrees F. Six servings.

Commercially-canned foods will keep indefinitely as long as nothing causes the can to leak.

**Successful Bazaar**-Mabel Cur-nett Circle held a successful tea and bazaar at the home of Mrs. T. Adams, Gorge Road West, with Mrs. G. Hall and Mrs. L. Young assisting. Gifts are being sent to children at the Solarium for Hallowe'en. The next meeting will be held at the home of Mrs. T. Fulthorp, 447 Kingston Street, Nov. 11, at 2.30.

**District Convention**-At a meeting of Island Temple No. 8 Pythian Sisters held with Sister E. Macdonald in the chair, a number of members expressed their intention of traveling to Duncan

on Oct. 30 to attend the district convention. Sister M. Barry, social convener, announced that a court whist party will be held after the next meeting. Members of Capital City Temple will be special guests. There will also be a grocery shower for the bazaar, and refreshments served by Sister E. Burton and her committee.

**Medical Missionary**-At a recent meeting of the Loyal Group of Metropolitan W.A., held at the home of Mrs. E. E. Colbeck, Foul Bay Road, Dr. Roberts gave a talk on her work as a

medical missionary in India during the past 34 years. The devotional was given by Mrs. J. A. Scott. Arrangements were completed for helping at the Fall Fair at Metropolitan Church on Nov. 5. A donation of \$5 a month will be given to the Mayor's Fund. Next meeting is at the home of Mrs. E. W. Whittington, Linden Avenue.

**Sale of Work** - Plans were made at a meeting of the Women's Auxiliary to St. John's Church, Colwood, to hold a sale of work in the Colwood Hall on Nov. 26. Mrs. S. G. Wilson, Victoria, diocesan treasurer, gave a talk on the meeting of the dominion board at Calgary.

## Saanich Approves Sale Of 55 Lots For Veterans' Home Plan

If the plans of contractor Jack Henson Jr., 2851 Parkview Drive, materialize as he presented them in his appearance before Saanich Council last night, a large parcel of property in Dean Heights, between Richmond Avenue and Foul Bay Road, next year will blossom into a war veterans' residential project.

His program, under the integrated housing scheme for war veterans, embraces putting up 55 homes valued between \$4,800 and \$5,500, and from four to seven-room structures, on the same number of lots, 25 per cent to have basements.

The assessed value of the entire plot of property was \$7,685, and Mr. Henson wanted to buy it for 25 per cent less than that figure.

The council said "No" to this, but a majority vote offered the applicant the same for 10 per cent less its assessed value for cash.

Mr. Henson said he would

accept the offer of the council, but that this was subject to approval of the Central Mortgage and Housing Corporation.

He assured the council the plan would not have the resemblance of other wartime projects. "I have my own plan of layout."

H. S. Greene, Saanich controller and acting municipal clerk for the night, told the council such a plan as put forward by Mr. Henson would mean a revenue of \$5,965 annually to the municipality.

There was a great deal of concern over the flooded condition of this land during wet seasons and with the warnings of Councilors Thomas Alexander and Hobbs that "we don't want another Braefoot fiasco," there was no doubt left that special pains would be made in regard to drainage and sewerage arrangements.

H. D. Dawson, engineer, urged a drainage program first "or it will be a mess."

The contractor said he hoped to begin on the scheme at the start of the new year. Councilors Leslie Passmore and Alexander passed an amendment that the engineer be instructed to make a survey of the land and get an estimate of the cost of drainage in area. This was defeated in favor of the original motion to sell immediately.

Permission was granted A. E. Hull, First World War veteran, to go ahead with his plans to establish a slaughter-house, with all the latest modern facilities and disposal processes, on Granville Road off Burnside Road. Councilor E. C. Cummins moved the motion of acceptance.

## Street Lighting System In Saanich Draws Criticism

"If I were a highwayman, I couldn't pick a better spot to operate in," H. Harvey told Saanich Council last night when he appeared before the administrative body to appeal for a street light being put up at Cook Street and Linwood Avenue.

Words were bandied about considerably, but in the end Mr. Harvey failed to get his target. "It is so dark in this area women are frightened to go unescorted," he said.

The request resulted in the lighting question in Saanich being given a verbal lashing.

Reeve E. C. Warren was heard to say that Saanich today has an absolutely inefficient lighting system. "There is no such thing as a master switch to turn the street lights off and on." Some, he said, had to be turned on individually by municipal employees.

Councillor Leslie Passmore offered the suggestion to the speaker to ask the council to put a by-law in Ward 2 to have an adequate system installed—a system such as Councillor Alexander had won Ward 1 ratepayers over to adopting this year.

Councillor Passmore, illustrating the poor lighting in Ward 7, said, "I am told that if we put an adequate system in the ward it would cost us no more or even less than the six or seven lights we have now." Reeve Warren was seen to nod his head in agreement at these words.

Councillor Alexander thought that putting individual lights here and there at the demand of ratepayers "is a haphazard way of trying to improve a bad situation—and we are just spoiling our chances of having a good scheme instituted."

Mr. Harvey was not prepared to say whether the residents of the section concerned would be willing to pay for the installation and maintenance of a light where it was wanted. He was asked this question as a last resort in an effort to devise a means to have the desired project undertaken.

It was pointed out individual lights installed became a burden of cost to the entire municipality.

## To Revise Brentwood Zoning Regulations

Because there is a difference of opinion on how the Brentwood zoning by-law is worded "now" and "how it should read," it was decided at a meeting of Saanich Council Tuesday night, when a strong delegation of Brentwoodites were heard, to organize a public meeting in the near future to arrange the by-law so that it reads the way Brentwood residents wish it.

V. C. Dawson, of the Brentwood zoning committee, was heard for some length on the subject. He maintained, and he had backers, that the layout as originally desired by the ratepayers of the district is way out of line.

As Mr. Dawson put it, there are areas that have been labeled strictly residential. "This is wrong. You cannot put a law prohibiting general farming—such as dealing with poultry and cows—in this area, because this is chiefly a rural area, a farming district."

In his opinion the intention of the Brentwood committee was that only the land bordering on Beach Drive—which takes in Verdier Avenue and Marchant Road—and also, the area of Moodyville should be earmarked exclusively residential.

## Saanich Briefs

Councillor Len Hobbs was authorized by the Saanich Council to have Tudor Road at Ten Mile Point surveyed to see if it could be widened and, if the cost was not prohibitive the work to be undertaken shortly, in order to encourage a bus schedule up to Tudor and Sea View Road. A delegation was heard on the matter. There were 100 houses in the area and residents of 75 would benefit from a bus route extension. Reeve E. C. Warren thought the work could be done "as the ward is in good financial shape."

"Things are different in Vancouver—they probably have more customers," commented Reeve Warren when a letter was read from Oak Bay Council stating the east-end municipality was not prepared to share in the cost of juvenile detention home plan. Oak Bay councillors considered the \$7.65 a day for each inmate there as not reasonable. In Vancouver the cost was \$1 a

head, they pointed out. The letter was referred to Councillor George Rudd, not present, to make a report on the matter at the next meeting.

Small craft owners who moor their boats at the Brentwood government wharf permanently are violating the regulations pertaining to this type of wharf, the council was informed in a letter from the Victoria Junior Chamber of Commerce. Boats cannot be moored permanently at government wharves.

A letter was read which will shortly be sent to ratepayers in the inner wards and the inner portion of Ward 4 asking them to give easement for the proposed new \$1,615,000 proposed sewerage installation. These wards will vote on the proposed scheme Dec. 13. As soon as the scheme is approved plans call for the project to begin. The easement is being asked as portions of the new, modern sewer system will go through private property. Municipal Engineer H. D. Dawson, in the letter points out that the ground on private property will only be disturbed briefly and then returned to as near to its normal look as before. "There will be no more disturbance of the land necessary for scores of years."

### Council Endorses Rate Charged For City Juvenile Home

The policy of the juvenile foster home committee in charging \$7.63 per day to municipalities which are not part owners of the home for any children housed there was endorsed by Tuesday's City Council meeting.

Ald. Margaret D. Christie, chairman of the committee, reported that Oak Bay had protested at the amount because Vancouver charged only \$1.00 a day to outlying municipalities for children housed in its home.

She explained that Saanich and the city had purchased the home, with Saanich paying 20 per cent of the purchase price, and also contributing \$28 per month to wards general operating costs. Esquimalt and the province had declined to enter into the purchase agreement but were prepared to pay the per capita costs asked by the city. The province, in addition, was paying for all children who had not established residence in Greater Victoria and were housed in the home.

She estimated operation costs, exclusive of meals, for the home were \$1,974 per year.

Mayor Percy George, supporting the committee's action, said there was no reason why Victoria should be bound by Vancouver, and also he could not see why Victoria should pay for the care of delinquent children of other municipalities. He queried if there would be any rebate to the municipalities at the end of the year, should the home have an operating surplus, and Ald. Christie said yes.

Ald. F. N. Cabellu, who moved the endorsing motion, pointed out Vancouver's capital costs had been paid off. He also said the other municipalities had been given a chance to participate and had refused.

### Delay Discussion On Amalgamation

Any action on the vexing problem of amalgamation and how it might be effected has been delayed by the City Council until the return of D. A. Macdonald, city comptroller, from eastern Canada, where he is now interviewing financial interests regarding new bond issues for the city.

Ald. W. L. Morgan, chairman of the factual research committee, reported to Tuesday's City Council meeting that Mr. Macdonald would also interview Jules Fortin in Toronto regarding the amalgamation question. "We hope he will have important facts to place before the council on his return," Ald. Morgan said.

Ald. H. M. Diggon expressed disappointment that the committee's work was not progressing more speedily and that other aspects of amalgamation than finance had not been investigated.

Ald. Morgan said that Mr. Fortin represents interests who hold more than 50 per cent of Victoria's bonds. "He has been a great supporter of amalgamation for years," he declared.

### City Council Briefs

The motion asking the City Council to protest the 30 per cent increase in coastal ship freight rates was tabled again at Tuesday's City Council meeting in the absence of Ald. Edward Williams, its proposer. The motion, together with representations from the steamship companies will be brought up on his return from eastern Canada.

The City Council authorized purchase of a new set of maps for the city assessor's office at a cost of \$600, with an extra copy to cost \$75.

The City Council authorized the expenditure of \$6,000 for conversion of seven huts at Songhees Camp into emergency shelter units. Central Mortgage and Housing Ltd. has already contributed \$2,000 of the estimated \$8,000 needed for the conversion.

Ald. Margaret D. Christie, chairman of the social welfare committee reported, and they will be asked for another \$2,000.

On recommendation of the social welfare committee the City Council will purchase a war surplus building at Ogden Point pier, to be moved to a city-owned lot for emergency shelter purposes. Cost of the hut is \$224.

The City Council authorized the parks committee to spend \$400 for Halloween celebrations in the city schools.

### Pimples

### Council Wants More Traffic And Other By-Laws In City

The police commission was requested to have city traffic and other by-laws more rigidly enforced by Tuesday's City Council meeting, on the recommendation of the public works committee.

Ald. J. D. Hunter, public works chairman, said that he had been repeatedly informed of by-law infractions such as cars parking in front of driveways and trucks driving loads of wood over sidewalks and boulevards.

He felt the police commission should take the matter up with the force to obtain a more rigid enforcement of the by-laws.

Mayor Percy George, chairman of the police commission, said he was aware of the situation, and so was the chief of police but unfortunately a force of only 74 men could not operate 24

hours a day and have sufficient men to give the city such close coverage. He pointed out that only nine or 10 men were on beats at one time to cover the entire city.

"It comes down to the fact that the City Council will be forced to provide an increased budget for the police department to get better coverage," he declared. "You can't expect 10 men to be 20 places at once."

However, he added, he was glad the matter had been brought up and felt sure that once the citizens realized the situation they would obey the laws more carefully.

Ald. B. J. Gadsden, another member of the police commission, took exception to the implied criticism.

### Firecracker Sale Policy To Be Set

What is the difference between a firecracker and fireworks was the perplexing problem put to the City Council Tuesday as they faced the question of deciding a policy on the sale of fireworks for Halloween celebrations within the city.

A by-law, passed 40 years ago, states that only by special permit of the City Council can fireworks be sold within the city limits. Fire Chief R. Brindle reported a shipment of fireworks, consigned to a local merchant, were at the C.P.R. docks and queried what he was to do about it.

Mayor Percy George said he didn't think the council should bother with individual cases but should decide on a policy. On the other hand, Ald. R. A. C. Dewar contended many merchants were already selling fireworks and this man should not be penalized by having his held up.

Ald. F. G. Mulliner queried what kind of a policy the council had during the past 20 years, while Ald. H. M. Diggon wanted to know if it were fireworks (mentioned in the by-law) or firecrackers, (mentioned in the fire chief's letter) which they were regulating.

The questioned was finally re-

### Sees Lumber Industry As 'Whipping Boy'

VANCOUVER (CP)—Don King, President of the B.C. Lumber Manufacturers' Association, said Tuesday that the British Columbia lumber industry was being made the "whipping boy" for the failure of Reconstruction Minister Howe to supply building materials to veterans.

Replying to statements made by Mr. Howe here Saturday that he would "flood the market" unless the B.C. industry took "more responsibility for the needs of the people of the province," Mr. King said, the important news in Mr. Howe's "outburst" was that there "now is plenty of lumber in eastern Canada."

"It is to be hoped," he added, "that this sudden appearance of lumber in eastern Canada will mean that Mr. Howe will reconsider his refusal to grant veterans' priorities."

### Firecracker Sale Policy To Be Set

The Victoria Minor Baseball Association has written Ald. D. D. McTavish, chairman of the parks committee, a letter of appreciation for the use of the parks for the three divisions: juvenile, midget, and bantam in which over 300 boys from 12 to 18 years of age played. They complimented the parks committee for its aid in preventing juvenile delinquency.

### They were Grandma's 'Better Breakfast,' too!

YES, even 50 years ago, people were eating better breakfasts because of Grape-Nuts! That unique Grape-Nuts flavor won them in the first place. But soon they learned about that fine two grain nourishment—from golden wheat and malted barley. And about the easy digestibility that results from the Grape-Nuts double-baking process.

Remember, Grape-Nuts provide carbohydrates for energy, phosphorus for bones and teeth, iron for the blood, protein for muscles! Really economical—two tablespoons makes an average serving. Get that new red-white-and-blue Grape-Nuts package from your grocer. Try them for breakfast tomorrow!

## A Handsome Cougar Bag—\$80 Worth

Edwin Banner, left, who lives between Sooke and Jordan River, and Anthony Sullivan, Sooke, with the mother cougar and three cubs they helped to bag yesterday. Other members of the hunting party were Walter Butler, Sooke, and Cliff Banner. They made the kill behind the Elder Logging Company, Muir Creek, Jordan River. They wounded the mother on Monday, employed a trio of cougar hounds early Tuesday morning and shot her from a tree. After noting the mother had been feeding young, the hunters back-tracked and discovered the den to snare the three cubs.

## Major League Attendance Shows Increase Over 1946

NEW YORK (AP)—Major league baseball attendance climbed to an all-time high of 19,954,832 in 1947, it was disclosed in an unofficial count showing an 8 per cent increase over the 1946 paid total of 18,534,444.

New York Yankees again led the field with a paid attendance of 2,200,369 but, despite their pennant victory, did not match the major league record of 2,265,512, set by New York's third-place team in 1946.

National League figures hit a high of 10,390,289, representing an increase of 1,477,027 over last year, and the American's 1947 turnstile total of 9,564,543 represented a decrease of 56,639 from the 1946 gate.

Five National League teams, Brooklyn, New York, Pittsburgh, Boston and St. Louis, and three American League clubs, Cleveland, Boston and Philadelphia, drew more people through their gates than ever before.

Pittsburgh's increase was the most remarkable as the new Pirate owners, with Hank Greenberg and Ralph Kiner as the bait, passed last year's total by 324,485 with a final count of

1,283,602, although finishing seventh.

All National League teams, except Philadelphia and Cincinnati, hit the 1,000,000 mark and the Phils and Reds were both in the 900,000 class. The Phils, the lone team failing to match the '46 gate in the National, still had their second best mark in history, 906,868.

St. Louis' Browns were the one sore spot in the Major League picture. Stumbling along in the cellar with several crowds below the 1,000 mark, including one night game, they finished with only 332,608. That was more than 500,000 behind the next lowest team.

## Olympic Hockey Decision Expected

REGINA (CP)—Al Pickard, president of the Canadian Amateur Hockey Association, said today a C.A.H.A. decision on Canadian hockey participation in the Olympic Games would be announced tonight.

He said the C.A.H.A. had arrived at what was believed to be a satisfactory solution to the thorny problem of Canadian representation but final arrangements had not yet been completed.

**JOKERS LACROSSE**  
Members of the Jokers lacrosse team are asked to contact coach Roy Woolsey. Plans for a season's wind-up will be discussed.

Canadian Scottish rugby team will practice at Macdonald Park tonight at 7. Interested players are asked to turn out for the senior club.

## All-Star Puck Tilt Grossed \$25,842

TORONTO (CP)—The National Hockey League's first annual all-star game drew a gross gate of \$25,842, of which \$17,228 will be paid into the league's new players' pension fund and \$8,614 to the Toronto Community Chest, President Clarence Campbell announced Tuesday.

The game was played last night, the 1946-47 all-stars defeating Toronto Maple Leafs, Stanley Cup winners last season, 4 to 3.

## New Sports Award System At Mount Douglas High

An effective house and sports award system is in operation at Mount Douglas High School, which officials announce as highly popular among an enthusiastic group of students.

Students are divided into three houses, Fraser, Skeena and Douglas. Douglas House has won the shield for three successive years, but the Fraser group is leading the system at present.

House competition includes basketball, table tennis and grass hockey at present with badminton and soccer scheduled to open shortly. In 1948, competition will include soccer, grass hockey, tennis, softball, interhouse contests, poetry contests, short story contests, public speaking contests and sports day events.

Block award system is being introduced on a large scale for the first time this year. Awards are based on entry into interhouse, interhigh and contest competitions, with one point being registered for every competition entered.

Top four students, either boys or girls, will receive large blocks, with the next seven receiving small blocks.

## To Honor Bevins In Home Town

SALEM, Ore. (AP)—Pitcher Floyd (Bill) Bevins of New York Yankees will come home to a welcome just as warm as though he'd made his 8 2/3 innings no-hitter in the World Series last through the final out.

Mayor Robert Elstrom has proclaimed Friday as Bevins Day and festivities will get off to a 7 a.m. start.

In the World Series against Brooklyn, Bevins had a no-hitter with two down in the ninth when Cookie Lavagetto rapped a double.

## 1,000,000 Expected To Attend London Olympics

LONDON (AP)—The Olympic Games scheduled here next summer promise to draw more than 1,000,000 sports fans from all corners of the earth and London is preparing to gear itself accordingly.

An official of the British Olympic organizing committee said his group is "confidently expecting a sell-out" for each session of the games at the outdoor and indoor arenas at Wembley, which together hold approximately 90,000 persons.

In addition, some indoor contests will be staged at Harringay Arena, with a capacity of 10,700, while four London soccer grounds on which the preliminaries of the soccer tournament will be staged can handle about 150,000 persons among them.

Tickets, soon to be sent out to competing nations, are expected to be allocated on the basis of population, plus the number of sports organizations directly interested in the games.

The top price for season tickets to track and field events at Wembley Stadium will be £16, 16s (\$67). Other prices for books of tickets will be £8, 8s (\$34); £4, 4s (\$17); £3, 3s (\$12); £2, 2s (\$8); and, for standing room, £1, 1s (\$4).

Daily tickets will be based on a percentage of one-eighth the cost of season tickets. Prices will vary for other events.

Before a single ticket can be sold, however, the host nation, according to Olympic regulations, must reserve choice spots for newspapermen, top members of competing delegations and their families, and 1,500 places for athletes near winning posts.

## Win First Round Honors In Women's Golf At Gorge Vale

First round of match play of the women's handicap championship was played over the week-end at the Gorge Vale Golf Club.

In the championship round, Mrs. J. C. Edwards finished 2 up over Mrs. T. G. Harris, while Mrs. B. Patterson and Mrs. C. Hulke won from Mrs. C. Keown and Mrs. F. McPherson, respectively, posting identical scores of 4 and 3.

In the second flight, Mrs. A. O. Cooke defeated Mrs. D. Fanthorpe 3 and 2, Miss Isabel Jarvis finished 1 up over Mrs. O. Carroll, and Mrs. J. R. Clark ended 1 up over Mrs. H. Pearce.

Dave Lewis won the men's hidden hole competition, finishing with a score of 22 2/3.

## All-Stars Named For Hockey Benefit Game

PORTLAND, Ore. (AP)—Members of an all-star northern division Pacific Ice Hockey League team were listed for the benefit game with the Portland Eagles here next Sunday night.

Jim Ward, manager of the Eagles, said funds from the game will go to Eddie Shamlock, Portland centre who suffered impaired eyesight as the result of an injury on the ice here in the middle of last winter's season.

The all-star players due here are: Denny McManus, New Westminster, B.C.; goaltender: Chuck Millman, Vancouver; Alex. Watt, Tacoma, Wash.; Joe Johns, Tacoma, and Willy Schmidt, New Westminster, all defence men; Bill Robinson, Seattle; Gordon Kerr, Seattle; Dick Milford, Tacoma; Doug Carrigan, Vancouver; Ken Ulliot, New Westminster; Red Tilson, Seattle; Bill Black, Tacoma—all forwards.

## WOMEN'S GOLF

Mrs. A. Bowden and Mrs. S. R. Weston tied for "A" class honors in the monthly medal competition at the Victoria Golf

## Mrs. Lee Hallberg Congratulated By Former Coho Record Holder

Mrs. Lee Hallberg of Victoria, holder of the new world's mark for landing the largest coho, has received a letter of congratulations from A. N. Wolverton of Vancouver who held until Saturday the world's record for coho salmon taken on rod and line since 1924.

Mr. Wolverton, vice-president of the Tye Club of British Columbia, said his coho weighed 28 pounds and was authenticated by Dr. McLean Fraser, dean of the Department of Biology at the University of British Columbia. "At that time, according to several authorities, the largest properly authenticated coho

## W.I.L. To Meet In Seattle Sunday

TACOMA, Wash. (AP)—The Western International League will hold a closed meeting Sunday at the Gowman Hotel in Seattle, league headquarters reported Tuesday.

It is the first meeting since the sale of the Tacoma, Spokane and Yakima teams to new owners.

Reg. Patterson, business manager of the Athletics and club directors will attend.

## City Lawn Bowlers Hold Finale To Successful Season

Condition of the greens in the morning forced the cancellation of the early Thanksgiving Day matches of the Victoria Lawn Bowling Club at Beacon Hill, but the afternoon contests were played with many visiting players included on the program. Seventy-two contestants participated in the mixed event.

Swailand Trophy competition was won by the team representing President Halliday as they ran up 239 points compared with the 154 scored by Vice-president Hinton's group. In the individual triples event, first prize was won by R. H. Harrison's team of the city club, and second award was captured by M. Paterson's team, also of the local club.

While the games marked the official closing of the greens, officials announced that one of the greens may be held open for informal play, subject to weather conditions.

## Draw Announced For Lewis-Freesey Cup Golf Competition

Medalist honors in the Lewis-Freesey Cup competition at Uplands Golf Club Sunday were shared by L. J. Hiberson, Dr. H. H. Lively, and A. W. Ockwell, each posting net scores of 66.

Low gross honors were won by Gordon Verley with 73. Officials announced the draw for first-round match play with a three-quarter difference in handicap, and stated that first-round matches would be completed by Sunday, with participants arranging to play their matches any time during the week.

## DRAW FOLLOWS:

**CHAMPIONSHIP**  
L. J. Hiberson vs. W. K. McCarter, L. R. Ferris vs. G. K. Verley, A. W. Ockwell vs. S. C. Truise, J. A. Sparks vs. W. L. Luney, Dr. H. H. Lively vs. W. G. More, F. J. Scroggs vs. Capt. L. A. Rees, D. R. Woodhouse vs. G. H. Bevan, Reg. Elliott vs. F. W. Francis.

## FIRST FLIGHT

O. G. Sutton vs. Stan Evans, W. C. Higgins vs. E. W. Mackenzie-Grieve, E. E. Peden vs. Eric Hiberson, R. A. Phillips vs. A. C. Rabbitt, D. McLean vs. Fred Switzer, A. R. Thistle vs. Clay Sutton, F. W. Heath vs. B. E. Porritt, Ken Lea vs. F. Clarkson.

## SECOND FLIGHT

J. Barlow vs. J. G. Thomson, C. F. Smith vs. A. E. Trish, W. Dunaway vs. J. F. Jeffrey, J. Ranson vs. C. J. Robertson, W. S. Smith vs. R. Bramley, C. Abbott vs. J. R. Stone, Hugh Francis vs. R. S. Hawkes, B. H. Aaronson vs. Don King.

## THIRD FLIGHT

George Austin vs. F. G. Hope, Stan Nixon vs. G. Silburn.

Club Tuesday each with scores of 1 up, Mrs. J. C. I. Edwards won "B" class honors.

## Sports Mirror

By "SONNY" WALKER

DESPITE the fact that they dropped a close decision to St. Saviours in Vancouver over the week-end, Victoria United are still setting a torrid pace in the first half of the Pacific Coast Soccer League schedule. Roy Barnes has his proteges playing a hard-driving game and to date it has paid off. In Vancouver Barnes elected to have the locals play a defensive game once they established a one-goal margin but that policy backfired when one of the local defenders deflected the ball into the net behind Moss. Before United could untrack the Saints had punched home the winner to hand United their first setback.

COMING up against the supposedly strong North Shore squad Monday, Barnes ordered an offensive attack. The result is well-known by now. United kept up a relentless attack on the visitors' nets to win by a one-sided margin. The forward line performed well and stole all the glory from the defenders in this match but the work of one individual was overlooked. He is George Forbes, United's new centre-half. Given the job of watching Frank Ambler, who is recognized as one of the top centre-forwards on the coast, if not in the Dominion, Forbes handled his chores admirably. His anticipation of the North Shore attack was one of the features of the match.

BOBBY MOSS, who has often been criticized for his goal-tending duties in the past, is playing better than ever before. He stopped two drives Monday that had goal ticketed all over them. Both stops came at crucial moments in the contest and if they had slipped it might have put an entirely different aspect on the final result. Strength of St. Saviours can be seen by the performance turned in Monday in holding St. Andrews to a scoreless draw. It has been quite a time since any squad was able to turn that trick against the Canadian champions.

ANOTHER provincial championship found its resting place in the city last week as the Canadian Legion lacrosse club walked off with the senior B title by defeating Vernon in two straight games. The victory was a repeat performance for the local squad as they were cast in the role of defending champions. Darrel Popham, high scoring rover of the team, came out of the fray a little the worse for wear as he suffered a broken nose in the first game. Equipped with a special guard Popham came right back to take part in the final contest. Joe Bryant, another Legion stalwart, left a couple of teeth at the Okanagan city as a souvenir of his visit.

Legion's victory once again brings to light the fine work the veterans' organization is doing for sport in the city. Sponsoring teams in all branches of sport during the past two years, the Legion has seen its efforts rewarded by teams wearing the Legion colors capture many local and provincial titles.

## Services Golf Match Tomorrow

Teams from the Army and Navy will hold an inter-service golf match tomorrow at Gorge Vale Golf Club. Clubs will play match singles with one point being registered for the first nine holes and one point for the 18-hole match.

Draw follows, with Navy team first mentioned:

From first tee:  
12:30—Davidson vs. Sampson, Woodward vs. Christenson.  
12:40—Nelson vs. Floran, Martin vs. Miller.  
12:50—Oliver vs. Chambers, Miller vs. Cooke.  
From tenth tee:  
12:30—Scott vs. Ewans, Jamieson vs. Powers.  
12:40—Reid vs. Murray, Humphrey vs. Larkin.  
12:50—Clarke vs. Cameron, Adams vs. Robertson.

## New York Rangers Win Puck Tilt

QUEBEC (CP)—New York Rangers of the National Hockey League last night defeated Quebec Aces of the Quebec Senior Hockey League 4 to 1 in an exhibition game here before 7,000 fans.

Veteran Neil Colville led the winners with two goals while Buddy O'Connor and Bryan Hextall scored one apiece. Jimmy Planché notched Quebec's lone marker.

## N.H.L. Teams Swing Into Action Tonight

Up to now it's easily been the biggest National Hockey League season yet, and it hasn't even started. Stars have been injured, great teams have been beaten officially and unofficially and players have come and gone. But from tonight it's official: The regular schedule opens with the Chicago Black Hawks at Detroit Red Wings, and it doesn't end until Sunday, March 21. After which, of course, come the Stanley Cup playoffs.

## Peden, DeBaco Tied For Lead In Six-Day Bicycle Grind

CHICAGO (AP)—The field in the 46th international six-day bicycle race was reduced from 10 to nine teams at the halfway mark today as two riders from different teams dropped out of the marathon at the Coliseum.

Rene Paquin of Montreal was forced to quit because of injuries and fatigue and four hours later Jack Eyamie of Masson, Que., retired. Eyamie's partner, Stanley Bransgrove of Australia, was eligible as the new teammate of Bill Anderson of Cleveland, Paquin's former riding associate.

Charles Berna of Paterson, N.J., and Mike Abt, Chicago, continued to lead on sprint points, although they were tied in laps with three other teams, one led by Torchy Peden of Victoria.

Standings at 5 a.m. E.S.T., 52nd hour:

Teams	Mls.	Laps	Pts.
Berna-Abt	1008	9	440
Yates-Rodman	1008	9	222
Peden-DeBaco	1008	9	115
Letourneur-Jacoby	1008	9	114
Andry-Cy	1008	8	356
Yacovitch-Pesek	1008	8	228
Sattia-Ripella	1008	8	87
Morton-Jones	1008	7	112
Anderson-Bransgrove	1008	5	204

All games are scheduled at Victoria High School.

## Phil Palmer Drops Nod To Terry Gibson

VANCOUVER (CP)—Terry Gibson, 143½, of Los Angeles, last night gained a split decision over Phil Palmer, 143, of Vancouver, B.C., in the 10-round main event of a fight card here.

In the semi-wind-up of six rounds Henry Lee, 156, Seattle, decided Benny Droll, 158,

## PASSPORT TO WINTER SAFETY!

Have your car checked now, your lights, brakes, front-end alignment, battery and tires. It is an investment in safety and true economy when done THE NATIONAL way.

A Sign to Remember  
819 YATES ST.

Last spring Montreal Canadiens won the league championship and Toronto Maple Leafs beat Canadiens to win the Stanley Cup. Experts seem to agree that it's Montreal and Toronto again for the championship contention. However, it will take a good few scheduled games to give a proper line-up on the performances of the teams that have been going through heavy training for the last few weeks.

It's Chicago at Detroit tonight, New York Rangers at Canadiens Thursday, Chicago at Canadiens and Detroit at Toronto Saturday. Then on Sunday Toronto is at Detroit, and the Rangers go to Boston. That first week's fray should provide some evidence.

**TAYLOR TRADED**  
Manager Jack Adams of Detroit chose last night to announce the biggest player deal in many months. The Wings traded Billy Taylor, 28-year-old centre star, to Boston Bruins in a straight exchange for Armand (Bep) Guidolin, 21-year-old left-winger.

Adams' explanation: "We're building a young team. Taylor is 28, Guidolin only 21. We are none too strong at left wing. We think the change is a fine one for the Wings."

It was Taylor who was taken by the Wings in a trade with Toronto Maple Leafs who got Harry Watson from Detroit in the off-season before play started a year ago.

The Hawks said last night that the 34-year-old Mosenko likely will be out of action for six or eight weeks, at least. Tobin was inclined to be philosophical about it. "It could happen, and it's happened in practice," he said.

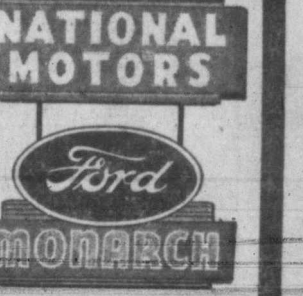

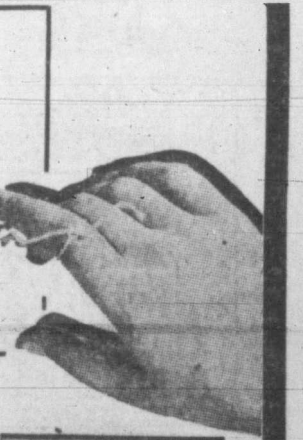

**RICHARD UNSIGNED**  
At Montreal, Canadiens methodically went about preparing for their opener against New York tomorrow night, with no one excited about the fact three Canadian regulars still haven't signed contracts. The hold-outs are Butch Bouchard, Maurice (Rocket) Richard and Bobby Carse. Last year the Rocket waited until an hour before game time before signing.

Peoria, Ill.  
Joe Ortega of Seattle won the nod over Cedric Flournoy of Detroit in the other half of the semi-wind-up. The featherweight battle went six rounds.

## City's Newest Roller Bowl To Open Tomorrow Evening

One of the finest of its type in Canada, Victoria's new roller bowl is expected to draw a record crowd when doors are opened to the public tomorrow night. Situated on Douglas Street near Burnside, the large structure is jointly managed by Henry J. Holman and William F. Holdridge.

Interior of the rink measures just under 18,000 square feet with the actual floor space available for skaters measuring 160 feet long by 90 feet wide, giving customers 14,400 square feet of space. In addition, a special section is set aside for use by beginners.

Bernie Ryall will be at the new

Hammond electric organ on opening night, which is a masterpiece in itself. Sixteen loudspeakers, located in the centre of the building, will be in operation. Speakers will be covered but sound facilities are excellent. An electric sign located near the top of the organ booth will indicate the event to take place.

Structure is lighted with 20 fluorescent lights above the skating surface, and a large incandescent lamp in the centre of the building, above which the speakers are set.

Ken Hemsworth held the contract for the construction of the building, and V.I. Hardwood Co.

for the floor, which is in perfect condition for the opening night. It is made of maple wood, three-quarters of an inch thick.

In order to operate the roller bowl to complete satisfaction of the customers, 12 members are listed on the staff. Officials have purchased 500 pairs of new skates. Other facilities include a snack bar which will sell soft drinks at present, a check room, a first-aid room, and ladies' and gents' restrooms.

The actual hall itself would be an excellent setting for a convention or any similar affair, and acoustics are fine for the use of the public address system.

## Preparations For Winter Olympics Behind Schedule

ST. MORITZ (AP)—M. M. Henniger, chairman of the Swiss Olympic committee, said Tuesday the committee was "a little behind in preparations" for the Olympic Winter Games in St. Moritz next Jan. 30-Feb. 8.

In a progress report, Henniger said the problem of taking care of an anticipated 10,000 visitors was "serious" and "we could not take care of many more, at all." The local organization committee planned to open three hotels at the nearby village of St. Moritzbad.

Aggravating the situation was the British ban on pleasure travel abroad, which prompted some hotel proprietors in this area who usually open for the winter season to decide not to open this winter, St. Moritz Mayor M. C. Nater explained.

Both Henniger and Nater, however, expressed confidence that their difficulties would be overcome.

Last year's Canadian Legion grid team will practice at MacDonald Park tonight at 7. The team will play Johnnie's Coffee Shop Sunday in the first game of the season.

## Reject U.B.C. Bid For Football Game

TORONTO (CP)—An invitation from University of British Columbia Thunderbirds for University of Toronto's senior football team to play a New Year's Day game in Vancouver has been rejected.

Athletic director Warren Stevens said loss of studies for team members was the big factor in the rejection.

## Musial, Munger Enter Hospital

ST. LOUIS (AP)—First baseman Stan Musial and pitcher George Munger of St. Louis Cardinals entered hospital Tuesday for surgery to correct ailments which handicapped them during the 1947 season.

Both are to be operated on today for removal of the appendix and Munger also will undergo surgery for removal of bone chips in his right elbow.

Later Musial will return for a tonsillectomy.

BOWLERS TO MEET—United Carpet Bowling Club will hold a meeting at the clubrooms, 2057 Cadboro Bay Road

## Black Hawks Receive Roasting From Calgary Sports Writer

EDMONTON (CP)—When Chicago Black Hawks of the National Hockey League were in training camp at Regina, president Bill Tobin and manager Johnny Gottselig were frank to admit that lack of defensive strength was proving a bugbear to the club.

Unimpressive work defensively was the least of the faults which Tom (Calgary Albertan) Moore found apparent when Hawks tangled with their farm club, Kansas City Pla-Mors, in an exhibition game at Calgary.

The post-game coffee counter consensus was "decidedly unflattering to the National Leaguers and the loop in which they play," said Moore.

He went even further by adding: "In fact, opinion was that Hawks, if they are serious about trying to win the Stanley Cup, could do worse than swap their entire roster for Calgary Stampede with, say, a sum of about \$50,000 to boot given the Calgary management to make it a fair trade.

"Admittedly, it was an exhibition game and Hawks were playing their own farmhands—but there were indications that both sides had little love for each other and were leveling at their best lick. And that best was none too good judged by western Canada senior league standards.

Then critic Moore really got into his stride. Against the Hawks he forged these thunderbolts:

"They were weak in goal, un-

organized on defence and spotty up front, where Max and Doug Bentley, a pair of veterans even among several Calgary senior players who ranked with and ahead of them in the service hockey a few years ago, stood out like sore thumbs.

"The feeling was that they wouldn't have stood out anywhere near like that if in Stampeder livery—would have been just another couple of good hockey players among a dozen or so on a good team."

From the Hawks-Pla-Mors exhibition Tom drew this inference: "Take away the glamour, the ballyhoo, the colorful settings, 'major league' tag and storied Stanley Cup from the N.H.L. and the difference between the top pro league and western Canada's senior circuit is so slight you don't need surveyors' instruments to measure it."

## Constipated? Try All-Vegetable Laxative

NR, a mild, all-vegetable laxative, is an easy way to help sick stomach, headache, weary feeling caused by constipation. NR's have thorough, pleasing action. They're all vegetable. NR Juniors (4 strength) for extra-mild action. Regular NR's for average use. Chocolate coated or plain.

## Allan Cup Finalists Defeated By Lethbridge Squad

LETHBRIDGE, Alta. (CP)—Lethbridge Maple Leafs last night defeated last year's Allan Cup finalists, Calgary Stampede, 6 to 1 in a game played before 3,300 fans here.

The Leafs attacked from the opening whistle but two tripping penalties at the eight-minute mark to Jack Taggart and Dick Grey put the Leafs two men short and Bob Brownridge scored the first goal for Calgary. A slapped shot from a rebound by Billy Gibson at 13:02 got past Stampeder goalie Russ Dertell and tied the score in the first period.

The Lethbridge team clicked again near the end of the second session when Don Menzie rapped a shot past Dertell to make the score 2 to 1.

Roy Heximer scored twice in 38 seconds in the final period. Five minutes later, Grant Hall made it 5 to 1 when he scored from a melee in front of Dertell. Stamps then began to press but Menzie's scored for Leafs on a pass from Latoski for his fourth of the game.

## Wisner To Take Over Labor Post Succeeding Pearson, Hart Says

Premier John Hart's office announced today that Attorney-General Gordon S. Wisner would be sworn in before Lieutenant-Governor Charles A. Banks at 11 Thursday morning as Minister of Labor, succeeding Hon. George S. Pearson.

Mr. Pearson will retain his portfolios of Provincial Secretary and Minister of Health and Welfare. He has held the labor portfolio since 1933, except for a short interval during the formation of the Coalition administration in 1941.

Assumption by Mr. Wisner of the labor portfolio is expected to be followed shortly with an announcement of the setting up of a board of labor relations, provided for in the Industrial Conciliation and Arbitration Act, which became law last May 15. In trials under the act to date the acting Minister of Labor, Lands and Forests Minister E. T. Kenney, has sat as the board.

Mr. Wisner now is serving his second term as Attorney-General. First appointed after the general election in 1937 in the adminis-

tration of Hon. T. D. Pattullo, he was defeated at the polls in 1941, and succeeded by the late R. L. Maitland, leader of the Progressive Conservative party in B.C.

With Mr. Maitland's death in 1946, Mr. Wisner again assumed the Attorney-General's portfolio.

Since the recent announcement of Premier John Hart that he proposes to retire, Mr. Wisner has been mentioned as a possible successor in the role as premier and leader of the Liberal Party.

### HEALTH, NEW ACT

Mr. Pearson has been in poor health since he underwent an eye operation some time ago.

Mr. Wisner will take over the labor minister's role at one of the most difficult times in British Columbia's labor history, with more than 2,000 workers on strike and a strike of 2,850 others threatened.

More than 100 workers are involved in prosecutions undertaken by the labor department for alleged breaches of the I.C.A. Act's provisions for strikes.

## Says Price Unfair On Gasoline; Wants B.C. Control Ended

Charging gasoline prices in B.C. are "definitely sub-normal," H. H. Hewetson, president of Imperial Oil Ltd. today asked that an end be brought to B.C. price control on gasoline and the fuel be put on the market on a competitive basis.

At present, Mr. Hewetson said in an interview at the Empress Hotel today, Imperial Oil was importing 453,000 barrels of gasoline to B.C. a year—40 per cent of the company's annual sale of gasoline in the province.

The price received here is below that received in other areas, including Seattle and, according to the president, Imperial Oil does not like importing gasoline here and selling it at less than it could be sold elsewhere.

The low gasoline price is unfair, hampers incentive to expand and accounts for lack of construction plans in B.C. by the company, according to statements by the president. He feels it only fair that gasoline prices be competitive so the company's B.C. refinery, located on Burrard Inlet, should be able to compete with gasoline brought in from such centres as California.

He does not believe a profit should be guaranteed, but he does believe Imperial Oil should be put in a position where it can compete on the open market with other companies selling gasoline.

Neither has he any desire to see his company establish a monopoly in this province. Exploration for new fields and any expansion is only done at tremendous costs, he said. Monopoly would bring an end to any development and so far as he is concerned, "We want a lot of people to come here and spend money. The more we have here the merrier."

### Day Or Night Parking Out For Loading Zones

In city police court this morning, J. Gordon Robson learned that he cannot park his car, whether night or day, in a yellow-marked loading zone. He had parked in such a zone at 8:40 at night on View Street near Cook and was fined the usual \$2.50 on being found guilty. Accused said the only reason why he appeared before the court and pleaded not guilty was because he had been unable to learn to his satisfaction at the police station whether it was legal to park in such a place at night or otherwise.

## British Columbia Reading More Library Commission Report Shows

Estimates of book circulation based on the annual report of the Public Library Commission showed today that during 1946 about 400,000 books were read by British Columbians in all parts of the province. This represents a considerable increase over the 1945 totals.

The report of the commission has just been published.

Circulation of books from the "open-shelf" collection of the provincial library here was put at 59,452, an increase from 54,570 during the previous year. The 1946 statistics include 35,738 books issued to adults and 23,663 issued to juveniles. This collection also issued 3,495 pictures and listed 8,444 borrowers on its files.

The "open-shelf" collection is issued by mail throughout the province. A secondary collection is at Prince George.

Traveling libraries operated by the commission during 1946 used 49,738 books for distribution among communities, schools and institutions. The commission estimates that five persons read each of the 29,274 books issued to community libraries while 10 persons read each of the 20,464 books issued to school libraries.

During 1945 44,659 books were issued to school and community traveling libraries.

### LIBRARIES INCREASE

An increase of 31 community libraries, bringing the total to 393, and of 84 school libraries, bringing the total to 339 was reported.

The Victoria traveling libraries supplied books to nine light-houses during the year.

It is estimated that the total resources of the library are in the neighborhood now of 100,000 volumes.

The report also said that there

had been a healthy increase during 1946 in the circulation of books from municipal libraries, this total being 1,416,225 volumes.

"The increase from a per capita expenditure of 51 cents to 55 cents, although still a long way from the desired \$1 minimum, is an encouraging trend in the right direction," the report said.

"Favorable economic conditions, a better supply of books, if not better books, and a general settling-down of the populace to a more normal way of life contributed to these advances," the report said of the circulation of books, adding that lack of adequate physical facilities formed the greatest single handicap to further development of municipal libraries.

### VICTORIA NEEDS BUILDING

Libraries in Victoria, Vancouver and New Westminster, the report said, were still operating in antiquated Carnegie buildings "which prevent any appreciable growth or development."

The report suggested it was time the provincial government saw that such conditions were rectified. The report suggested the province should contribute dollar for dollar for library buildings in the same way as it does for school buildings.

"It can be stated as an indisputable fact that until the province of British Columbia assumes a more substantial share of library costs and on a basis similar to that shared for other educational costs, so long will the libraries of the province be handicapped and correspondingly ineffective," the report said.

## Teen-age Musicians Thrill Audience At Teachers' Recital

By AUDREY ST.D. JOHNSON

Two remarkable young Canadian artists, not yet in their twenties, appeared in joint recital Tuesday night, amazing an audience of fellow musicians with their accomplishment, control and poise.

These were Jean Ramsay, soprano, and Joan Gabriel, pianist, who appeared in the Young Artists Series Fall Tour of the Federation of Canadian Music Teachers. The recital took place at the home of Mrs. P. M. Townsend, 3355 Beach Drive.

Miss Gabriel, who has recently been awarded a two-year scholarship at the Royal College of Music, displayed a well-balanced pianism, in that her considerable technical skill did not outdistance her artistry and intellectual grasp. Her truly musical performance was most enjoyable. The considerable trial of the Beethoven, Sonata in F minor (Appassionata) proved Miss Gabriel's ability and promise and while her not yet mature tone, allowed of some understatement of the broad, sweeping themes, her building and climax were well conceived and executed. She conveyed with equal success, the mood of Debussy's "Reflets Dans L'eau," the brittle brilliance of Liszt's "Dance of the Gnomes" and the rich cantabile of Chopin's "Ballade" in G minor.

Jean Ramsay, accompanied by Miss Gabriel, sang three groups of songs that covered a wide range of style and technique. She used her clear, young soprano voice with great charm and skill. Interpretive ability was very marked, especially in such songs as Handel's "Care Selve," "Rememberance" by Frederick Keel and the aria from "Mignon," "Comme tu le Pays." It is obvious that Miss Ramsay loves singing, that she has musicianship and vocal ability, and when to these are added, a fuller, more

rounded tone and a complete resonance in all registers, she will undoubtedly become one of Canada's most accomplished young singers.

### Funeral Service For A. Alexander Thursday

Funeral services will be held at McCall Bros. Floral Funeral Chapel Thursday afternoon at 3:30 for Archibald Alexander, 71, 1158 Oliver Street, who died Saturday. Rev. J. L. W. McLean will officiate.

Mr. Alexander was a well-known retired chief engineer of the B.C. Coast Service fleet. He was born in Scotland and was a resident of Victoria for 40 years. Mourning his loss are his wife, Margaret; one son, Greg, Montreal; and two daughters, Mrs. J. E. S. Boorman, and Mrs. G. E. McCall, both of Victoria; three grandchildren and two brothers.

## R.C.A.F. Launch Ends Long Voyage From Patricia Bay

Ten bronzed and "water-winged" members of the R.C.A.F. stood grinning and waving happily from the deck of the high-speed motor launch Takuli at Halifax Tuesday night as they completed "Operation Porpoise," a 42-day 7,300-mile voyage through the Panama Canal from the R.C.A.F. station at Patricia Bay.

Takuli, reaching the east coast port hours earlier than scheduled, caught air force officials by surprise and forced them to call off elaborate welcome plans. However, the launch's skipper, Sqdn. Ldr. S. C. N. Burridge of Patricia Bay, held the crew aboard until an official welcome was given.

During the trip, the air force crew enjoyed many adventures, ranging from hurricane-dodging in the Caribbean to participation in Mexico's national Independence Day festivities.

Praise for hospitality and aid received at U.S. bases en route was given by crew members, especially the cook, Cpl. F. Manderson, whose galley refrigerator became inoperative in the tropical heat and caused a food shortage which was fortunately eased by American outposts.

Crew members included "Fit" Sgt. H. E. Bennett, Victoria; WO2. F. G. MacIntyre, Patricia Bay, and D. F. Fullerton, Bamfield.

## Thieves Work On Parking Meters

A new source of revenue for some city thieves are the street parking meters.

Constable Frank B. Collie, on his rounds in the early hours of this morning, discovered three of them had been broken into during the night on Langley Street between Fort and Bastion Streets and the contents taken out.

The lock broken off one of the meters was brought to the station.

## Girl Bitten By Dogs, Joyce Hicks; Lost 3 Parts Of Her Blood

An indication of the serious condition of 12-year-old Joyce Hicks, daughter of Mr. and Mrs. Arthur H. Hicks, Old West Road, Saanich, following an attack by two dogs in which she was badly mauled and bitten on Oct. 6, was revealed in the father's statement today that she lost three parts of her blood from the wounds.

Her physician reports she is now well on the way to recovery, but will not be well enough to answer questions for a few days.

Both of the girl's arms became infected by the bites, Mr. Hicks reported. There was no facial disfigurement.

The police at this time are not certain which dogs attacked the girl.

The attack took place on private property, the premises were not fenced at the front. This left the possibility that any dog or dogs could have been responsible.

Two dogs suspected have been penned up until the termination of the 30-day period ordered by the doctor. This in the event of rabies materializing in which case the dogs are required in the treatment.

## Further Hearing To Be Granted Doomed Youth

A last bid to save the life of William Henderson, 17, convicted and sentenced to hang for the murder of Vancouver Police Constable Charles Boyes, will be made Monday before the Court of Appeal.

Chief Justice Gordon Sloan today granted defence counsel, John G. Gould, permission to submit further arguments on behalf of the youth who participated in a shooting affray in which Boyes, another constable and a gunman were killed on False Creek Flats.

Henderson was originally sentenced to hang on Oct. 1, but was granted a stay of execution until Oct. 23. A further delay is expected pending the decision of the Court of Appeal.

Harry Medos, a companion of Henderson, was hanged Oct. 1, for shooting the constable following an attempt to rob a Vancouver bank.

## Jr. A.Y.P.A. To Form Independent Council

Announcement by junior members of the Anglican Young People's Association that they intended to set up a council of their own to deal directly with problems of junior A.Y.P.A. groups highlighted closing sessions of the 17th annual provincial A.Y.P.A. conference which terminated Monday.

The juniors stated that the council would undertake to co-ordinate all activities of junior groups and work closely with the senior provincial council.

A commission on Chi Rho activities reported that there were now 11 branches in operation throughout the province. This is more than any other province has.

A commission on promotion and extension advocated a membership drive to increase the size of existing A.Y.P.A. groups and to strive for the establishment of a branch in every parish.

The new executive for B.C. elected by conference delegates, follows: Hazel Greenwood, Fort Langley, president; Barbara Bould, Vancouver, first vice-president; Ron Stubble, New Westminster, second vice-president; K. Waddington, Vancouver, recording secretary; Margaret McDonald, Cloverdale, corresponding secretary, and Eileen Jones, Victoria, treasurer.

Metropolitan appointees elected were Hazel Greenwood, Joyce Dixon and Rev. Noel Bracher.

Rev. J. Dalton was named chaplain.

### Maj. E. C. Snape Dies

There passed away Tuesday at his residence, 1120 Tattersall Drive, Maj. Edward Colman "Toby" Snape, aged 52 years. He came to this city 20 years ago and had made his home here since then. He served in both the Great War and the World War.

He is survived by one brother, Richard H. Snape, Victoria, and two sisters, Mrs. H. Seymour-Biggs and Miss Marjory Snape, both of this city, and an aunt, Miss Agnes Chambers, in whose home he resided.

Private funeral services will be conducted Thursday morning at 11 in St. Luke's Church by Rev. P. Pike. Interment will be in the churchyard.

## Hostellers Make Trip Into U.S.

Energetic members of the community, a group of Victoria Youth Hostellers, made a trip to Bellingham, Wash., via Vancouver, on their bicycles.

The group left Victoria Friday evening on the midnight boat to Vancouver where they were met the next morning by a group of Vancouver hostellers. Following breakfast, the two groups, together numbering 27, made for the 49th parallel, where they were greeted by members of the Seattle division of the American Youth Hostel Association, with whom they proceeded to Bellingham.

Saturday evening was spent at the Bellingham Y.M.C.A., where the hostellers took part in a square-dance and later viewed kodachrome pictures of Banff, Lake Louise and Lake Crescent taken by Dick Gower, a Victoria Youth Hostel member, on one of his recent trips.

Sunday, the party went to Lummi Island, where some of the members went mountain climbing. In the evening, Walter Haff-

man of Seattle showed some colored slides he had taken on some of his trips.

The group left for home early Monday morning and Victoria hostellers returned to this city on the night boat from Vancouver.

## 'Quake Was Mild

Victorians who were awakened in the early morning hours of Thanksgiving Day by a shaking sensation were right in presuming this to be an earth tremor.

Dr. K. O. Wright, director of the Astrophysical Observatory on top of Little Saanich Mountain this morning reported a deluge of telephone calls from citizens asking for information "on the quake."

Dr. Wright said that as there was only a faint recording on one of the seismograph records to hint at a disturbance at 2:20 Monday morning, as reported by citizens as the time of the occurrence, the observatory staff could not be sure it was a quake. A quake, it is pointed out, records on both records, but there was no registration on the second disc.

"It must have been a very small local earthquake centred in the city," he said.

Don't delay! Sign up for more Canada Savings Bonds today and watch your savings mount quickly, steadily, surely.

ON SALE NOW through your Bank, your Investment Dealer, or through your Company's Payroll Savings Plan.

## Kiwanis Club Reviews Work Of School Patrols

Present operations of the Kiwanis Club's school safety patrols which operate from all public elementary schools in the city of Victoria and plans for expanding the patrol system to neighboring municipalities were discussed by Kiwanians at their Tuesday meeting held in the Empress Hotel.

E. Mallek, a member of the safety patrol committee which is headed by Rev. J. L. W. McLean, told the members the first school patrol in British Columbia was established 10 years ago. Now, he continued, sponsorship of such patrols is a recognized undertaking of most Kiwanis clubs in the province.

He explained that school patrolmen are posted on busy intersections near their school when students are on their way home. It is their duty to direct traffic and see that the pupils get across the streets safely.

There are 280 boys enrolled as safety patrolmen in the city of Victoria at the present time, Mr. Mallek said. The boys are trained and directed by Constable Brooke Douglass of the city police department.

All equipment used by the patrols—raincoats, flags, cards, badges, belts and other items—is provided by the Kiwanis Club.

Patrol leaders from nine city schools attended the meeting and gave a demonstration of their work. They were: Roger Windle, St. James Douglas School; Walter Davis, Burnside; Murray Woodridge, George Jay; Philip Berube, Victoria West; Peter Zarzy, Central Junior High; Ian Glendary, Margaret Jenkins; Jerry Bilou, South Park; Ted Lunt, North Ward, and Donald Sword, Oaklands.

## Mrs. A. S. Robertson Called By Death

With the passing of Mrs. Andrew Stuart Robertson, Victoria loses an old and valued resident.

Mrs. Robertson was a virtual pioneer of British Columbia. Born in Montreal in 1866, she and the late Andrew Stuart Robertson came to the coast in 1892 and spent the next nine years on the Skeena River with occasional winters spent in Victoria. They eventually settled here where Mrs. Robertson was soon known as a hard and willing worker in the numerous charities and projects in which she was interested.

She was an early member of the Anti-Tuberculosis Society, the Women's Canadian Club, an indefatigable worker for the Red Cross in the First World War, a member of the Gonzales Chapter of the Imperial Order of the Daughters of the Empire, and also the Seamen's Institute and the Navy League.

## Appeal Near End

The Appeal Court yesterday refused to admit photographs as new evidence in case of Gabriel Williams, a Babine Indian, who is appealing against a conviction on a charge of attempted murder, arising out of the shooting of Lawrence Kylling near Topley, B.C.

Henry Castillon, K.C., counsel for the appellant, sought admission of the photographs as evidence.

Chief Justice Gordon Sloan said the photographs would hold no weight in trying to prove before a jury that the Indian had not shot the victim outside his log cabin. "I don't see how these pictures can be of any help to you," he said.

Later Mr. Castillon was silenced by Mr. Justice Sloan when the former tried to bring new evidence which had not been heard at the trial. "If you keep bringing up evidence which was not heard at the trial, you'll get into trouble," warned the judge. The case is expected to end today.

## WAKE UP your DIGESTIVE TRACT

For Real Relief from Indigestion Due To Constipation

Don't expect to get real relief from headache, sour stomach, gas and bad breath by taking something for your stomach if the true cause of your trouble is constipation.

In this case, your real trouble is not in the stomach at all. But in the intestinal tract where 80% of your food is digested. And when the lower part gets lazy, food may fail to digest properly.

What you want for real relief is something to wake up your lower intestinal tract. Something to clean it out effectively—help Nature get back on her feet.

Get Carter's Pills right now. Take as directed. They gently and effectively wake up your digestive tract. This permits Nature's own digestive juices to mix better with your food. You get genuine relief from the constipation that is causing your indigestion so you can feel really good again.

Buy Carter's Pills today. Wake up your intestinal tract for real relief from indigestion caused by constipation.

## Tomatoes Ripen Best In Warmth

Officials of the Dominion laboratory of plant pathology at the Saanichton experimental station reported today a supply of ripe tomatoes can be obtained from the green, end-of-season fruits by storing them at temperatures between 50 and 65 degrees.

The laboratory reported the most favorable temperatures for ripening of green tomatoes had been determined by Dr. C. R. Furlong of the Ditton Laboratory, East Malling, Eng.

"Warm rather than cool temperatures are the best," the Saanichton laboratory reported. "He exploded the popular view that the maximum number of green fruits will ripen if the vines and the fruits are harvested together and strung up in a cool cellar. Warm rather than cool storage prove to be the best, and better ripening occurred when the fruits were detached from the vines."

The Saanichton laboratory reported that when picked during dry sunny weather, a precaution to prevent rot, the maximum number of fruits ripened over a longer period, six weeks

compared with four, but when ripe was of an inferior quality.

When the fruit was stored at 45 degrees or below all the fruit that did not ripen within two weeks either rotted or failed to develop color. As the storage temperatures decreased from 65

degrees the loss through rot progressively increased.

LONDON (CP)—Cadet David Montgomery, son of Britain's Chief of Imperial General Staff, graduated from Officer Cadet Training Unit.

### Criticize Prize List Of Courtenay 1947 Fall Fair

COURTENAY—Claims that the small exhibitor was not given a chance to show his wares at the 1947 Fall Fair were made by some members of the Comox Agricultural and Industrial Association, at the annual meeting in the Agricultural Hall.

The 1947 Fall Fair prize list was criticized on a number of points, including the grouping of entries. According to one member, discussing the poultry class, the prize list called for "pens" consisting of a rooster and two hens, when 75 per cent of the farmers of Comox district did not have a rooster on their place.

Decision was made to revert to the 1946 Fall Fair prize list. Decision to form a fair committee composed of members of the association's directors and representatives from other organizations in the community was left to the incoming directorate.

A general meeting will be held Oct. 22.

#### PLAZA THEATRE

With the completion of recording of the songs for her latest Universal-International tune, hit, "Something in the Wind," now at the Plaza Theatre, Deanna Durbin chalked up the 80th screen tune she has warbled in her 11 years as a songstar.

In her latest comedy romance, Deanna sings five of the six original songs written for the film by Johnny Green and Leo Robin. She also sings a Verdi operatic aria with Jan Peerce.

"Something in the Wind" was directed by Irving Pichel and produced by Joseph Sistrom.

#### ATLAS THEATRE

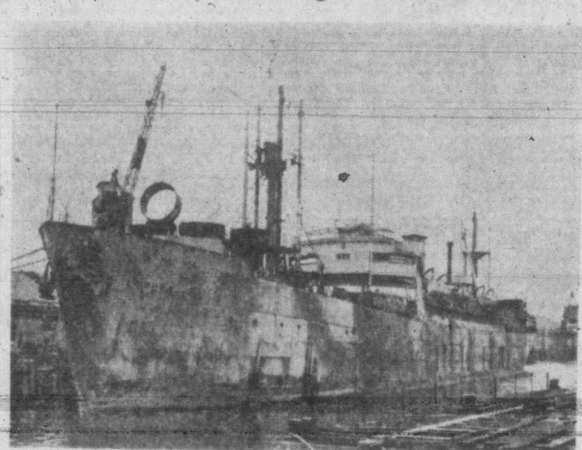

Gene Kelly has a suggestion for women who want to keep schoolgirl figures and men who want to avoid "bay windows." Instead of the usual setting-up exercises, the M-G-M star of "Living in a Big Way," now showing at the Atlas Theatre, advises a 10-minute dancing routine before breakfast.

Kelly believes that if men and women spend their exercise period doing a fast tap dance, followed by high kicks and a few twirls, they'll keep good figures and enjoy the exercise.

#### ROYAL THEATRE

A special set of photographs, taken in color of New York's Gramercy Park, served as sketches for sets on Columbia's technicolor "Down to Earth," the musical now starring Rita Hayworth and Larry Parks at the Royal Theatre. One of the film's spectacular dance routines is staged in Hollywood's version of Gramercy Park—and Columbia's technicians made sure that the reproduction was faithful. The hit tune, "People Have More Fun Than Anyone," is the song in the number.

### V.M.D. Workmen Begin Conversion

Dirty and dingy now as she lies at Victoria Machinery Depot Co. Ltd.'s No. 2 yard, the former Royal Navy maintenance ship Levuka will be a bright, clean and modern passenger-freighter when V.M.D. workmen have finished her reconversion for W. R. Carpenter (Canada) Ltd. A second maintenance ship is due here shortly for similar reconversion. Shipyard workers have already begun to strip the Levuka of her wartime gear.

#### YORK THEATRE

Barbara Brewer, 16-year-old swimming sensation, is getting another opportunity to earn money to take her through a dramatic course in college.

The youngster made her screen debut in "Bathing Beauty."

Director George Sidney, who describes her as an "aquatic jilt," called her back to work at Metro-Goldwyn-Mayer studios where she won a role in "Holiday in Mexico," starring Walter Pidgeon on the York screen. Miss Brewer has an excellent singing voice.

#### OAK BAY THEATRE

The most elaborate clothes of the locale and era since Mae West's "She Done Him Wrong" were made for Angela Lansbury's role in the new M-G-M technicolor musical, "The Harvey Girls," in which she plays Em, rival of the Harvey waitresses. The new picture, starring Judy Garland, is currently at the Oak Bay Theatre.

### Where To Go Tonight

**ATLAS**—"Living in a Big Way," starring Marie McDonald.  
**CAPITOL**—Lizabeth Scott and John Hodiak in "Desert Fury."  
**DOMINION**—"The Scarlet Pimpernel," with Leslie Howard.  
**OAK BAY**—"The Harvey Girls," starring Judy Garland.  
**PLAZA**—"Something in the Wind," starring Deanna Durbin and Jan Pierce.  
**ROYAL**—Rita Hayworth and Larry Parks in "Down to Earth."  
**YORK**—"Holiday in Mexico," starring Jose Iturbi.

#### CAPITOL THEATRE

While working in "Desert Fury," the Hal Wallis technicolor production for Paramount now at the Capitol Theatre, Lizabeth Scott and Mary Astor admired each other's perfume.

They found that Lizabeth was using a perfume called "Saint" and Mary's brand was named "Sinner."

In "Desert Fury," which co-stars Miss Scott with John Hodiak and Burt Lancaster, the two women play roles almost in direct contrast to the names of the perfumes they were using. Lizabeth portrays a reckless girl who takes up with a racketeer, while Miss Astor is the mother who tries to protect her.

**Lewis Fights As A.F.L. Removes Him As Officer**  
SAN FRANCISCO (AP)—John L. Lewis, stripped of a vice-presidency of the American Federation of Labor after an historic outburst of name-calling among the federation's top leaders, faced still another battle today over his miscellaneous collection of unions in mine workers' District 50.  
Underneath the current of bitterness which swept the 66th annual convention was the growing threat that Lewis still might walk out with his 600,000 United Mine Workers over the District 50 controversy.  
His organizers have caused opposition within the federation, ever since his return to the A.F.L. in January, 1946.  
But anti-Lewis forces, cheered by the ease with which their overwhelming numbers set down the U.M.W. president Tuesday, went on with plans to bring the jurisdictional squabbles with District 50 before a tribunal which he could not control.  
Lewis took the gloves off in his first convention speech Tuesday, stinging the leadership into fighting mood by calling them "intellectually fat and stately asses," and adding:  
"On this issue I don't think the federation has a head. I think its neck has just grown up and haired over."  
**AFFIDAVIT ISSUE**  
The issue he referred to was the signing of non-Communist affidavits. That started the convention floor battle which was perhaps the hottest since Lewis toppled William L. Hutcheson, the carpenter's boss, with one punch at the Atlantic City convention in 1935. Lewis took his miners out of the federation after that and formed the Congress of Industrial Organizations. He fell out with the C.I.O. after 1940, however, and made his peace again with the federation six years later.  
Tuesday the convention, by standing vote, overwhelmingly decided to amend its constitution and do away with its 13 vice-presidencies.  
Lewis would not sign the Taft-Hartley affidavit disavowing Communism, saying it was an insult.  
The convention decided to abolish the office of vice-presidents, so Lewis would no longer be classed as an officer. This would "protect" the federal unions, President William Green said.  
Only Green and Secretary-Treasurer George Meany remain as officers of the A.F.L. now, and they both will sign the affidavits.

**Aviator Invades Asylum; Flies Off With Woman Patient**  
STOCKHOLM (AP)—Swedish police reported Tuesday Lieut. Thorsten Akrell, 34-year-old aviator, had broken into a Stockholm mental hospital Monday, freed a scantily-clad young woman patient, Mrs. Louise Forsell Kaage, 25, and fled with her to Norway in a light sports plane.  
The plane made a forced landing in a mountain meadow near Kongsberg and the couple now are held by Norwegian authorities for extradition to Sweden, the announcement said.  
Mrs. Kaage, attractive blonde and author of a best-selling mystery story, wore only her hospital garments when she escaped from the institution with Akrell. He had disguised himself in a white doctor's coat.  
Stockholm police said that although no charge had yet been filed against Akrell, "three paragraphs in the criminal law probably can be used against him." Mrs. Kaage would not be charged with any offence.  
She is the daughter of the late John Forsell, chief of the Stockholm Royal Opera Company.  
**HAS ONLY ONE HAND**  
Mrs. Kaage's right hand was bitten off by a polar bear at the Stockholm zoo when she was a child. Early this year she suffered a fracture of the skull in a forced landing.  
The Stockholm Tidningen published what is described as a telephone interview with the couple in which they had hoped eventually to be married and to go the United States.  
Mrs. Kaage declared she had entered the hospital recently of her own accord "to get a quiet room and be left alone by people to do some work."  
"Instead they put me in a room with a lot of people and I was treated in such a way I couldn't stand it any longer."

**PRISCILLA'S POP**  
It's time to come in now, dear.

Priscilla Nutchall! Come in this instant!  
Mommy, why do you holler at me?

**Gallup Poll**  
**Canadian Women Willing To Meet Dame Fashion's Decree Half-Way**  
By CANADIAN INSTITUTE OF PUBLIC OPINION  
Although Canadian women don't approve Dame Fashion's new decree, they are willing to meet her half-way—half-way between the calf and the knee, that is.  
Following up last week's survey, in which nearly half the women of Canada were found definitely opposed to the longer hemline, and another quarter conceded only a slightly longer skirt, the Gallup Poll of Canada asked a sample of Canadian women from 21 years of age up, living in all parts of the Dominion, this question:  
"If you were having a dress made right now, would you keep the hem at the shorter length, or would you go in for the new length?"  
The man—it must have been a man—who said women don't know how to compromise must have been off the track. Here is what women say they would do: Slightly longer 47 per cent, keep short hemline 26 per cent, new length 21 per cent, undecided 6 per cent.  
In last week's poll, it was found that the main reason why women opposed the new length was because of the cost involved. This is borne out by the fact that, in today's poll, women whose husbands' earnings put them in the lower income group, voted more heavily for keeping the hemline short than did the other two income groups.  
While poll reporters had Canadians talking on this topic, they asked a final question, this time of both men and women:  
"Why do you think the new dress length is being introduced?"  
In the ratio of almost two to one, Canadians believe that the new dress length is being introduced for strictly business reasons, rather than for such reasons as aesthetics.  
Answers fell into these groupings: "To get people to spend money"; "to buy more clothes"; "to increase price of dresses"; "to sell more cloth," etc., 47 per cent. "Just a new style"; "a new trend"; "styles always changing and this just another one"; "the usual fad," etc., 24 per cent. "Previous dresses too short"; "improvement in morals," etc., 3 per cent. "It looks better," 2 per cent. "More cloth available now," 4 per cent. Miscellaneous 2 per cent. "Can't say," 18 per cent.

**Among the miscellaneous answers were a few from naive males who think the new styles are simply designed to give women at long last a chance "to dress more warmly."**
